HURMATLI YO'LOVCHILAR!

Uzbekistan Airways aviakompaniyasi sizni havo kemasi sahnida ko'rib turganidan benihoya mamnun!

Biz sizning e'tiboringizga bort jurnalining maxsus sonini havola qilamiz. Bu yil kompaniyamiz "30 yil xavfsiz parvozlar" shiori ostida o'z faoliyatining 30-yilligini nishonlamoqda.

Uzbekistan Airways aviakompaniyasida faxrlanishga arzigulik boshqa sabablar ham ko'p. Jurnalning ushbu sonini aviakompaniya yutuqlari va kelgusidagi rejalariga bag'ishladik. Xizmat ko'rsatish sifati ustida uzluksiz ish olib borayotgan mamlakatimizning asosiy aviatashuvchisi yo'lovchilarining qulay parvozi uchun barcha sharoitlarni yaratib kelmoqda.

Pandemiyadan so'ng o'z faoliyatini tiklayotgan aviakompaniya parvozlar sonini ko'paytirib, havo kemalari parkini to'ldirib bormoqda. Shuningdek, uchuvchilar, instruktorlar va havo kemasi komandirlarining tarkibi kengayib bormoqda. Ularning ko'pchiligi xorijda qayta tayyorgarlikdan o'tgan, shuningdek, aviakompaniya chet ellik mutaxassislarni ham ishga taklif qilmoqda. Shu bilan birga, bortkuzatuvchilar safi ham doimiy ravishda yangilanmoqda.

Uzbekistan Airways aviakompaniyasining Ketring bo'linmasiga taklif etilgan turkiyalik bosh oshpaz Fotih Berber yo'lovchilar uchun yangi menyu konsepsiyasini ishlab chiqmoqda. Aviakompaniya loyihalarini amalga oshirish yaqin kelajakda O'zbekiston fuqaro aviatsiyasini xalqaro maydondagi mavqei va nufuzini ta'minlaydigan, sifat jihatdan yangi bosqichga olib chiqadi. Aviakompaniya jamoasi Markaziy Osiyo havo transporti bozorida yetakchi bo'lishni o'z oldiga maqsad qilgan. Va, albatta, uning faoliyati, avvalgidek, o'zining xavfsizlik, barqarorlik va qulaylik mezonlariga sodiq qolgan holda parvozlar va yo'lovchilar xavfsizligini ta'minlashdan iborat bo'ladi.

Sizga yoqimli parvoz tilaymiz!

DEAR PASSENGERS!

Dear passengers. Uzbekistan Airways welcomes you on board!

We are happy to present you a new edition of Uzbekistan Airways inflight magazine. This year our company celebrates the 30th anniversary of its fruitful activity. As you know, this year the main motto "30 years of safe flights". It's justified. However, today Uzbekistan Airways also has many other reasons to be proud of. We dedicate this edition of the magazine to the achievements and plans of the airline company. Continuously working on the quality of service, the main air carrier of the country creates all the best conditions for a comfortable flight of its passengers.

With the restoration of the company's activities after the pandemic, the number of flights is constantly increasing and the aircraft fleet is replenished. Thus, the number of pilots, instructors and aircraft commanders is rising up. Many are retrained abroad, foreign specialists are invited to work. Along with this, the composition of flight attendants is constantly updated. One of the departments of Uzbekistan Airways, Catering LLC is developing a new menu concept with the involvement of a chef from Turkey - Fatih Berber.

The implementation of the airline's projects in the near future will bring the civil aviation of Uzbekistan to a qualitatively new level, ensuring its status and image in the international arena. Uzbekistan Airways team is aimed to become a leader in the air transportation market. And, of course, the highest priority in its activities, as before, will be to ensure the safety of flights for passengers, while remaining true to its criteria - safety, stability and comfort.

We wish you a pleasant flight!

Uzbekistan Airways

xavfsizlik, barqarorlik, qulaylik

"Uzbekistan Airways" brendi butun dunyoda barqaror, xavfsiz va ishonchli aviatashuvchi sifatida tan olingan.

1992-yilda milliy aviakompaniyaning tashkil etilishi O‘zbekiston Respublikasi fuqaro aviatsiyasi rivojlanishida muhim bosqish bo‘ldi. O‘tgan yillar mobaynida aviakompaniya muvaffaqiyatli rivojlandi. Bosib o‘tilgan yo‘lga qarab, har yili avvalgisiga qaraganda samaraliroq bo‘lganiga ishonch hosil qilishingiz mumkin.

O‘zbekiston fuqaro aviatsiyasining o‘sib borayotgan iqtisodiy salohiyati va obro‘si buning yaqqol tasdig‘idir.

O‘zbekistonning zamonaviy qulay avialaynerlari Yevropa va Osiyoning ko‘plab shaharlariga muntazam qatnovlar hamda charter reyslarini amalga oshirmoqda. O‘zbekiston uchuvchilari Airbus va Boeing hamda Dreamliner havo kemalarini muvaffaqiyatli va xavfsiz boshqaradilar. Ularning mahorati dunyoda yaxshi tanilgan va yuqori baholanadi.

O‘tgan yillar davomida sohada ko‘plab yirik loyihalar amalga oshirildi. Aeroportlarning yer usti infratuzilmasi modernizatsiya qilindi, havo kemalari aviaparki to‘liq yangilandi va yangi havo kemalari o‘zlashtirildi, ilg‘or texnologiyalar joriy etildi.

O‘zining boy tarixi davomida Uzbekistan Airways parvoz xavfsizligi sohasida yetakchilikni saqlab kelmoqda. O‘zbekiston osmonidagi har bir havo kemasi yuqori malakali dispetcherlar va muhandis-texnik tarkibning doimiy nazoratida. Bu esa har bir yo‘lovchi parvoz xavfsizligiga tayanishi mumkinligini anglatadi.

Aviakompaniyaning ustuvor vazifalari qatorida bugungi kunda eng muhim qadam – havo kemasi parkini unfikatsiyalash hisoblanadi. Katta jamoa Airbus havo kemalarini sotib olish va Uzbekistan Express byudjet tashuvchi parkini ko‘paytirish ko‘zda tutilgan investitsiya loyihalari ustida ishlamoqda. Shuningdek, O‘zbekistonning boshqa shaharlarida yo‘nalishlar tarmog‘ini yangilash va yordamchi xablar tashkil etishni ham amalga oshirmoqda.

Zamonaviy xalqaro standartlarga muvofiq, kompaniya yaqin kelajakda yo‘lovchilar uchun yangi xizmatlar ro‘yxatini joriy etish, charter reyslari sonini ko‘paytirishni rejalashtirmoqda.

Shu bilan birga, Uzbekistan Airways aviakompaniyasi faoliyatining barqarorligi va ishonchliligini kafolatlab, parvozlar geografiyasini kengaytirib, muntazam ravishda aviaqatnovlarni amalga oshirishda davom etmoqda.

“Biz uchun har bir yo‘lovchi muhim!” – ushbu shior doimo dolzarb bo‘lib qolmoqda. Bugungi kunda mamlakatimizning asosiy aviatashuvchisi tizimni isloh qilish doirasida “ochiqlik va oshkoralik siyosati”ni amalga oshirib, interaktiv aloqani joriy etib, mijozlar fikrini inobatga olib, xizmat sifatini doimiy tarzda oshirib, havo kemasi bortida xavfsizlik va qulaylikni ta’minlamoqda.

Uzbekistan Express reyslari Uzbekistan Airways reyslaridan nimasi bilan farq qiladi?

2021-yil 30-avgustdan "Uzbekistan Airways" aviakompaniyasi aviatashuvlarning gibrid modeliga o'tdi. Shu kuni Uzbekistan Express loukosteri Toshkent-Moskva yo'nalishi bo'ylab "to'liq ekonom" formatida birinchi parvozni amalga oshirdi.

Loukost– bu yo'lovchilarga ko'rsatiladigan qo'shimcha xizmatlar sonini kamaytirish hisobiga taklif etiladigan past narxlardagi aviatashuvlardir. Biroq Uzbekistan Express'ning boshqa aviakompaniyalarning shu turdagi reyslaridan farqi shundaki, aviachipta narxi arzonlashganiga qaramay, yo'lovchi ma'lum bir xizmatlardan foydalanishi mumkin. Uzbekistan Express aviakompaniyasi bir yil ichida 3000 dan ortiq loukost qatnovlarni muvaffaqiyatli amalga oshirdi.

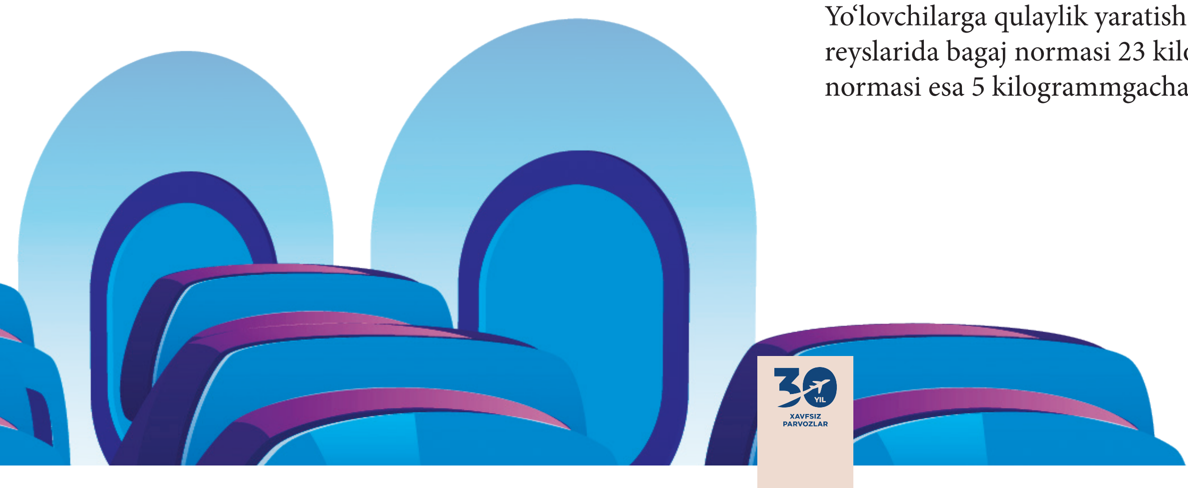
Uzbekistan Express reyslari oddiy reyslardan quyidagi mezonlar bo'yicha farq qiladi:

Ekonom-klass sig'imining kattaligi

Bugungi kunda Loukost tashuvlarni amalga oshirish uchun 5 ta Airbus A320 samolyotining sig'imi 174 yo'lovchiga oshirildi, shuningdek, yana 4 ta havo kemasini qayta konfiguratsiya qilish rejalashtirilgan.

Bagaj va qo'l yukining ma'lum me'yori

Yo'lovchilarga qulaylik yaratish maqsadida loukoster reyslarida bagaj normasi 23 kilogrammgacha, qo'l yuki normasi esa 5 kilogrammgacha oshirildi.



Bort taomi

Uzbekistan Express'ning 2 soatdan ortiq davom etadigan reyslarida ikki xil turdagi sendvich va 0,3 ml hajmdagi suv taqdim etiladi. Uzbekistan Airways'ning 2 soatdan ortiq davom etadigan muntazam reyslarida esa issiq ovqat va turli xil ichimliklar taqdim etiladi.

Bugungi kunda Uzbekistan Express 5 ta havo kemasida Toshkentdan va O‘zbekistonning boshqa hududlaridan Rossiya Federatsiyasining Moskva, Ufa, Perm, Samara, Yekaterinburg, Omsk, Krasnoyarsk, Irkutsk va Sochi kabi shaharlariga parvozlarni amalga oshirmoqda. Uzbekistan Airways reyslari esa ancha keng yo‘nalishlar tarmog‘ini qamrab olgan bo‘lib, bugungi kunda 40 dan ortiq xalqaro yo‘nalishlarda amalga oshirilmoqda.

WHAT IS THE DIFFERENCE BETWEEN UZBEKISTAN EXPRESS flights and Uzbekistan Airways flights?

On August 30, 2021, Uzbekistan Airways turned to a hybrid air travel model. On the same day, Uzbekistan Express low-cost airline operated the first flight in the “full economy” format at Tashkent-Moscow route.

Low-cost is air transportation of a reduced cost due to fewer additional services for passengers. However, Uzbekistan Express differs from the same flights of other airlines by providing the passenger with certain services despite the reduced cost of the air ticket. Low-cost transportation by Uzbekistan Express has already successfully completed more than 3 000 flights within the recent year.

Uzbekistan Express flights differ from standard regular flights of Uzbekistan Airways according to the following criteria:

Large passenger capacity in economy class

To carry out low-cost transportation today, the capacity of 5 Airbus A320 aircraft has already been increased up to 174 passengers and it is also planned to reconfigure 4 more aircrafts.

Baggage allowance and carry-on baggage

For the comfort of passengers, the baggage allowance on low-cost airline flights has been increased to 23 kg, and the carry-on baggage allowance up to 5 kg.

Inflight meals

Uzbekistan Express provides meals at flights with a duration of two hours or more - two types of sandwiches and water in a volume of 0.3 ml. On regular Uzbekistan Airways flights, from 2 hours of flight, full-fledged hot meals and a variety of drinks are provided. Uzbekistan Express operates flights on five aircrafts from Tashkent and regions of Uzbekistan to such cities of the Russian Federation as: Moscow, Ufa, Perm, Samara, Yekaterinburg, Omsk, Krasnoyarsk, Irkutsk and Sochi. And Uzbekistan Airways flights are operated on a wider route network - more than 40 international destinations.

Sevara Nazarxon –
Uzbekistan Airways`ning yuzi

BU YIL UZBEKISTAN AIRWAYS O‘Z FAOLIYATINING 30 YILLIGINI NISHONLAMOQDA. BU KICHIK SANA EMAS ALBATTA. AVIAKOMPANIYA O‘TGAN YILLAR DAVOMIDA O‘ZINI O‘ZBEKISTON TRANSPORT TIZIMINING LOKOMOTIVI SIFATIDA NAMOYON QILDI.

Ilgari Uzbekistan Airways o‘z qadriyatlarini jamoatchilik oldida qo‘llab-quvvatlovchi hamda to‘g‘ri namoyon etuvchi san’atkor bilan hamkorlik olib bormagan. So‘nggi yillarda aviatsiya sohasida ko‘p o‘zgarishlar sodir bo‘ldi va mamlakatning asosiy aviatashuvchisi yangi rivojlanish yo‘lini tanladi. Aviakompaniya faoliyatining barcha jabhalarida o‘zgarishlar kuzatilmoqda, va nihoyat aviakompaniya yuzi tanlandi, endi u – mashhur xonanda Sevara Nazarxon. Aviakompaniya vakillari Sevaraning ijodini yaqindan tanishadi, hurmat qilishadi.

Shuni ta’kidlab o‘tish joizki, Sevara nafaqat yurtimizda, balki xorijda ham tanilgan.

“Uzbekistan Airways havo kemalari sahnida men har doim o‘zgacha iliqlikni va qulaylikni his qilaman

Bu tuyg‘u inson o‘z uyidan yiroqda bo‘lganida juda ahamiyatli. Hamkorlik qilish taklifi menga yaxshi g‘oya bo‘lib tuyildi, shu bilan birga men zimmamga qanday ma’suliyat yuklanayotganini yaxshi tushunaman”, - deydi Sevara Nazarxon.

Xonandaning ta’kidlashicha, u har qanday ishga katta mas’uliyat bilan yondashadi, o‘zini “jangchi” deb hisoblaydi va uning uchun shunchaki ishtirok etish emas, balki yakuniy natija muhim. Ushbu g‘oya noyob bo‘lib, Uzbekistan Airways aviakompaniyasi nufuziga ijobiy ta’sir ko‘rsatadi.

"

- Men ko'p sayohat qilaman va men uchun parvoz davomida xavfsizlik juda muhim. Ko'p aviakompaniyalarning xizmatlaridan foydalanaman, ularning ichida men yaxshi ko'rganlarim ham bor, shu sababli taqqoslash imkoniga egaman. Hozirgi kunda hech mubolag'asiz ayta olamanki, Uzbekistan Airways'ning yo'lovchilarga xizmat ko'rsatish darajasi sezilarli darajada o'sdi. Kompaniyada ishga professional yondashuv seziladi. Yo'lovchilar uchun qulaylik ta'minlanishiga ishonch hosil qilish uchun odatda men ham "ekonom-klass"da parvoz qilaman. Men ushbu hamkorlik tez orada o'z mahsulini berishiga umid qilaman. Ishonamanki, bularning barchasi albatta amalga oshadi va harakatlarimiz zoye ketmaydi", - deydi Sevara.

Aviakompaniya Sevara Nazarxon va uning ijodiy jamoasi ushbu hamkorlik doirasida aviatashuvchi xizmatlari haqida jamoatchilikni xabardor qilishiga, yangi ochiqlik siyosati hamda kutilayotgan o'zgarishlar borasida yo'lovchilarga uzluksiz ma'lumot yetkazishiga ishonadi.

Sevara Nazarkhan – The Ambassador of UZBEKISTAN AIRWAYS

This year Uzbekistan Airways celebrates the 30th anniversary. The date is not a small one and it is worth noting that over the years the company has shown itself to be locomotive in the transport structure.
Previously, Uzbekistan Airways did not cooperate with stars who support and demonstrate values of the company. In recent years a lot has changed here, changes are observed at all levels and now the face of the airline has finally been chosen
 the famous singer Sevara Nazarkhan.

Representatives of the company highly respect Sevara's art and now she is famous not only in our country but also abroad.

"I always feel special warmth and comfort on board of Uzbekistan Airways. This feeling is very important for a person being away from home. The offer of cooperation seemed like a good idea to me right away, but I am aware of the responsibility that falls on me" – shares Sevara Nazarkhan.

As the singer herself notes, she always approaches any business with great responsibility, she is what is called "fighter" and for her it is important not just to be present, namely final result. This idea will be unique, designed to have a positive effect on the reputation of Uzbekistan Airways. And at the same time, the main criterion of work remains unchanged – ensuring flight safety for each passenger.

"I travel a lot and in-flight comfort is important to me. I use the services of many airlines, so I have my own favorites and have something to compare with. Even now, without any flattery, I can say that the level of service for passengers of Uzbekistan Airways has improved significantly. The competent and professional approach to work in this company is evident. I usually fly "economy class" because I want to believe that passengers are provided with comfort here as well. I am expecting fast results from this project because I do not like slowness. I believe that everything will work out for sure, and it will not be in vain" – says Sevara

Uzbekistan Airways hopes that Sevara Nazarkhan and her friendly team will help developing air-links with many countries.
