Hurmatli yo‘lovchilar!

Sizni bort sahnida kutib olishdan mamnunmiz. E’tiboringizga Uzbekistan Airways aviakompaniyasining navbatdagi bort jurnali sonini havola etamiz. Ushbu sonimizni iqtisodiyotning yetakchi tarmoqlaridan biri bo‘lgan – O‘zbekiston turizmiga bag‘ishladik. Bu yerda Markaziy Osiyoning qoq markazida joylashgan mamlakatning boy turizm salohiyati haqida ma’lumotlar topasiz.

O‘zbekiston gastronomik, tog‘ va ekologik, tog‘ chang‘i turizmi, mamlakatning madaniy va tarixiy merosi hamda muqaddas joylariga ziyorat turizmlari kabi yo‘nalishlarda ulkan sayyohlik salohiyatiga ega.

Hozirgi kunda O‘zbekistondagi infratuzilma, gidlik va sifatli xizmat kabi barcha turizm yo‘nalishlariga bo‘lgan talab takliflarning oshishiga sabab bo‘lmoqda. Turizm xizmatlariga talabning yuqoriligi investitsiya uchun ko‘plab imkoniyatlarni ochib beradi. O‘zbekiston ko‘plab xalqaro aviakompaniyalar uchun o‘ta muhim bozor bo‘lib qolmoqda, iqtisodiyotdagi jiddiy islohotlar tufayli mamlakatimizda o‘zining xizmatlarini ko‘rsatuvchi aviakompaniyalar soni ortib bormoqda. Uzbekistan Airways, Aeroflot, Asiana Airlines, UtAir, FlyDubai, Air Astana, Azal, Turkish Airlines, Air Cairo va boshqalar shular jumlasidandir.

Pandemiyaga qaramay, mamlakatimiz iqtisodiy qiyinchiliklarni yengib chiqdi va joriy yilda O‘zbekistonga kelayotgan sayyohlar oqimi 3,5 million kishidan oshdi. Bu ko‘rsatkichlar oldinda yanada qiziqarli imkoniyatlar borligi sababli ortib boraveradi. O‘zbekiston rahbariyati tomonidan turizm sohasini rivojlantirish strategiyasi ishlab chiqildi, unga ko‘ra “O‘zbekiston bo‘ylab sayohat qiling” dasturi doirasida 2026-yilga borib mahalliy sayyohlar sonini 12 millionga, chet ellik sayyohlar sonini esa 9 millionga yetkazish ko‘zda tutilgan.

Respublikamizning turistik shaharlarida turizm obyektlarining muhandislik-kommunikatsiya tarmoqlarini yo‘lga qo‘yish, madaniy meros obyektlarini tiklash va obodonlashtirish, shuningdek, madaniy-ko‘ngilochar infratuzilmalarni yaratish orqali to‘siqsiz turizm infratuzilmasini joriy etish rejalashtirilgan. Ishonamizki, mamlakatimizga tashrif buyurish siz uchun mazali o‘zbek oshxonasining ta’mi bilan birgalikda juda maftunkor va qiziqarli sayohat bo‘ladi.

Sizga yoqimli parvoz tilaymiz!

Dear passengers!

Uzbekistan Airways welcomes you on board!

We are glad to present you the next issue of monthly inflight magazine of Uzbekistan Airways. This edition we dedicate to the locomotive and interesting sphere – tourism in Uzbekistan. Here you will find information about tourism potential of the land located in the very heart of Central Asia. Uzbekistan has a huge tourism potential: food tourism; mountain and eco-tourism; tourism on the cultural and historical heritage of the country; alpine skiing tourism; pilgrimage tourism in holy places. Currently demand still exceeds supply in all areas of tourism in Uzbekistan: infrastructure, guides and quality service. High demand in touristic services opens many opportunities for investment.

Uzbekistan remains a very important market for many international airline-companies, the number of airlines providing their services in our country is increasing because of significant reforms in economy. Today these are: Uzbekistan Airways, Aeroflot, Asiana Airlines, UtAir, FlyDubai, Air Astana, Azal, Turkish Airlines, Air Cairo and many others.

Despite the pandemic, our country has overcome the economic difficulties and this year the tourists flow in Uzbekistan exceeded 3, 5 mln. This number will grow as more exciting opportunities are yet to come. In order to develop the tourism sector, the government has developed a strategy according to which by 2026 the number of local tourists should increase to 12 million and foreign tourists to 9 million as part of Uzbekistan Travel program.

In the tourist cities of the country, it is planned to introduce barrier-free tourism infrastructure by establishing engineering and communication networks for tourism facilities, restoring and improving cultural heritage sites, as well as creating cultural and entertainment infrastructure.

We believe that visiting our country will be a very exciting and interesting journey with a flavor of delicious Uzbek cuisine.

We wish you a pleasant flight!

O‘zbekistondagi turizm yo‘nalishlari

Turizmni faol rivojlantirayotgan O‘zbekiston bugungi kunda o‘z mehmonlariga gastronomik turizm, agroturizm, etnoturizm, ekoturizm, ziyorat turizmi va boshqa turizm turlarini taklif etishga tayyor.

GASTRONOMIK TURIZM

O‘zbekiston har bir mehmonni milliy taomlarining mazasi bilan hayratga sola oladigan yurtdir. Mamlakat bo‘ylab gastronomik sayohat mehmonlarga juda ko‘p unutilmas taassurotlar hadya qiladi. Quyoshga o‘xshash issiq va totli non, palov, kabob, somsa va boshqalar mehmonlarga manzur bo‘lishi shubhasiz. O‘zbek oshxonasi dunyodagi eng xilma-xil va rang-baranglaridan biridir. Shuningdek, yurtimizda saxiy quyosh tufayli Yevropa yoki Janubiy Amerika sharoblari bilan raqobatlasha oladigan yaxshi sharob ham tayyorlanadi.

EKOLOGIK TURIZM

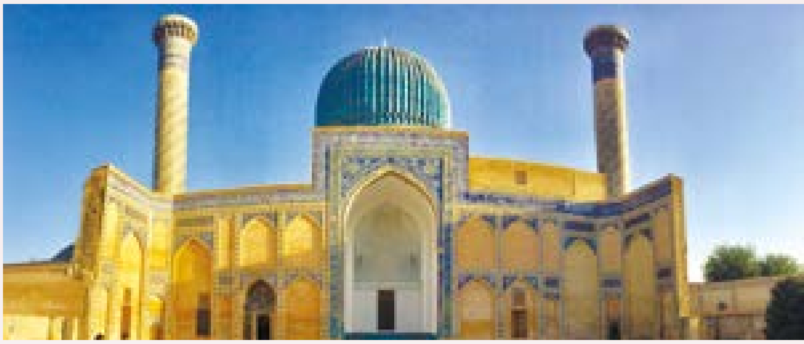
Ushbu turizm turi ham mamlakatimizda muhim hisoblanadi. O‘zbekiston eng go‘zal tabiati bilan bir qatorda “Qizil kitob”ga kiritilgan o‘simlik va hayvonot dunyosining xilma-xilligi bilan ham sayyohlarni hayratga solishi mumkin.

Mamlakatda ko‘plab milliy bog‘lar va qo‘riqxonalar mavjud. Masalan, Hisor qo‘riqxonasi nafaqat O‘zbekistondagi, balki butun O‘rta Osiyodagi eng yirik qo‘riqxona bo‘lib, bu yerda noyob qor qoploni va Turkiston silovsini yashaydi. O‘zbekistonda Pomir-Oloy, Hisor, Ugom, Katta Chimyon kabi noyob tog‘ tizmalari, yirik Seversov muzliklaridan boshlanuvchi daryolar, soylar va ko‘llar joylashgan. So‘nggi yillarda hajmi sezilarli darajada qisqargan Orol dengizi alohida e’tiborga loyiqdir. Natijada mintaqadagi ekologik vaziyat o‘zgardi. Mo‘ynoq hududidagi “kemalar qabristoni” esa ko‘plab sayyohlarni o‘ziga jalb qiladi.

Qizilqumning cheksiz cho‘llari orasida hosil bo‘lgan Aydarko‘l doimiy ravishda o‘sib bormoqda va o‘z ichiga uchta: Arnasoy, Aydarko‘l va Tuzkon ko‘llarini qamrab oladi. Aydarko‘l esa aholi punktlaridan uzoqda joylashgani bois, bu yerda sokinlik va tabiat bilan uyg‘unlik muhiti hukm suradi.

ZIYORAT TURIZMI

Bugungi kunda mashhur sayyohlik yo'nalishlarining hammasi ham o'z mehmonlariga ziyorat turizmini taklif qila olmaydi. Muqaddas joylarni ziyorat qilish esa - turizmning alohida turi hisoblanadi.

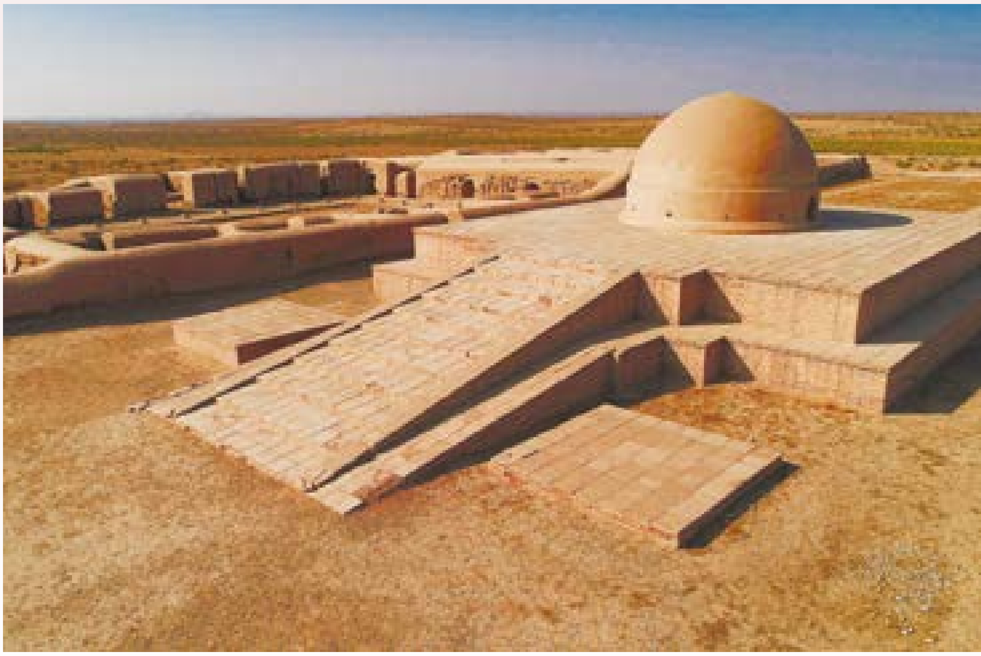


O'zbekiston muqaddas qadamjolar - maqbaralar, masjidlar, yodgorliklar, g'orlar va boshqa ko'plab ziyorat joylariga ega mamlakatdir. Asrlar davomida bu zamin turli madaniyatlar va sivilizatsiyalar kesishgan markaz bo'lgan, bu yerda turli dinlar targ'ib qilingan va shuning uchun islom, buddizm va xristian dinlari, shuningdek, so'fiylik bilan bog'liq noyob qadimiy yodgorliklar saqlanib qolgan. Binobarin, O'zbekiston ziyorat turizmini rivojlantirish bo'yicha ulkan salohiyatga ega dunyodagi kam sonli davlatlardan biridir. Mamlakatimiz butun dunyoda yagona maskan – so'fiylik o'chog'i sifatida tanilgan. Qolaversa, Xorazm viloyati qadimiy dinlardan biri – zardushtiylik (otashparastlik)ning beshigi hisoblangan.

Islom madaniyatining eng qimmatbaho yodgorliklari YUNESKOning Butunjahon merosi ro'yxatiga kiritilgan. Ular orasida islom olamida Buxoroi sharif nomi bilan tanilgan Buxoro shahri ham bor. Shuningdek, Samarqand shahrida ham anchagina muqaddas joylar mavjud. Shahrisabz shahri esa Amir Temurning tavallud topgan yurti. Albatta, bu shaharlar qadimiy va boy tarixga ega, asrlar davomida ular sezilarli o'zgarishlarni boshidan kechirgan.

Samarqanddagi Xo'ja Doniyor maqbarasi alohida e'tiborga loyiqdir. Doniyorni musulmonlar payg'ambar deyishadi. Afsonaga ko'ra uning qabri o'sib borgan va yoki payg'ambar hoki aynan qayerda ekanini bildirmaslik uchun uzun qilib qurishgan. Bu Samarqandga kelgan har bir sayyoh va ziyoratchi uchun maxsus maskan hisoblanadi. U yerdagi buloq suvi esa shifobaxsh va muqaddasdir. Din peshvolarining qayd etishicha, bu yer musulmonlar, nasroniylar va yahudiylar ibodat qilish uchun keladigan kamdan-kam joylardan biridir.

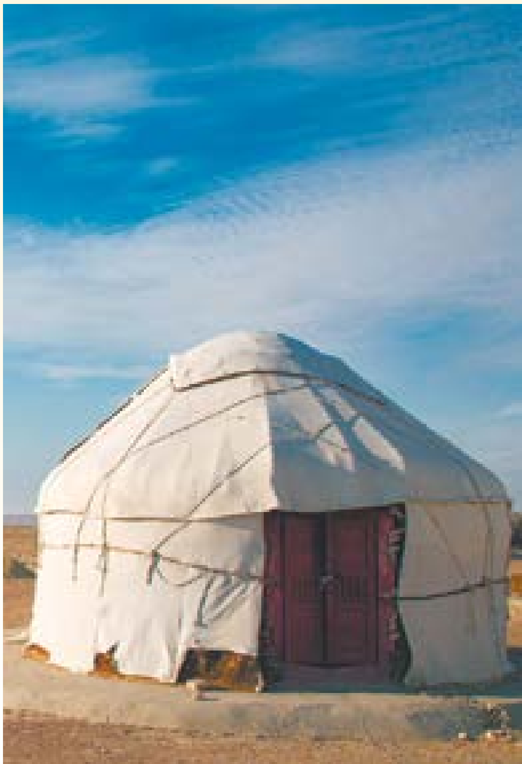
1968-yilda eski Termiz shahri hududidan Budda haykali topildi va shundan beri bu yer koʻplab arxeologlarning asosiy tadqiqot obyektiga aylandi, keyinchalik esa eng qadimgi Budda ibodatxonalari majmualari ham topildi: Fayoztepa (miloddan avvalgi 1-asr - milodiy 3-asr), Kampirtepa, Qoratepa shular jumlasidandir. Qadimgi musiqachilar tasvirlangan mashhur Ayritom frizi elementlarining topilishi esa bu hududda bir vaqtlar buddizm dini mavjud boʻlganidan dalolat beradi.



ETNIK TURIZM

Oʻzbekistondagi turistik kompaniyalar etnik turizmning keng qamrovli tanlovini taklif qiladi. Bu yerda siz qishloq aholisining hayotida ishtirok etishingiz, chekka qishloqda yoki uylarda yashashingiz, mahalliy toʻy yoki aqiqa kabi bayram tantanalarida qatnashishingiz, ot va tuyalarga minishingiz, rang-barang choʻllarda safarga chiqib serqirra Oʻzbekistonning noyob ekzotik faunasidan bahramand boʻlishingiz mumkin boʻladi.

Siz Oʻzbekiston xalqlarining hayoti va madaniyatini, mahalliy aholining koʻp asrlik anʼanalari va turmush tarzini asl holida saqlangan tabiat fonida oʻrganishingiz mumkin boʻladi.



Types of tourism in Uzbekistan

Ideal conditions allow Uzbekistan to develop tourism actively, today the country is ready to offer its guests many types of tourism: gastronomic tourism, agritourism, ethno-tourism, ecotourism, pilgrimage tourism and others.

1 Gastronomic tourism

Uzbekistan can impress every guest with the taste of national dishes.

A gastronomic journey around the country will provide the traveler with a lot of unforgettable experiences. Delicious national fragrant hot bread, that looks like sun; nutritious pilaf, Uzbek barbecue - shashlik, samsa and many other dishes will certainly amaze the guest.

Uzbek cuisine is perhaps one of the most diverse and colorful in the world. Even wine that produced in our country, thanks to the generous sun, can be compared with the wines of Europe or South America.

2 Ecological tourism

It is also one of the important types of tourism here. Along with the most picturesque nature, Uzbekistan can surprise with a variety of Red Book flora and fauna. The country has many national parks and reserves. For example, Gissar Reserve is the largest not only in Uzbekistan, but throughout Central Asia; a rare snow leopard and the Turkestan lynx live here.

There are unique mountain systems in Uzbekistan: Pamir-Alay, Gissar Range, Ugam Range, Big Chimgan Range, the large Severtsov Glacier, from where rivers, streams and lakes originate. Aral Sea, that has greatly decreased in size in recent years, deserves special attention. As a result, the ecological situation in the region has changed. Many tourists are attracted by the cemetery of ships in Muynak area.

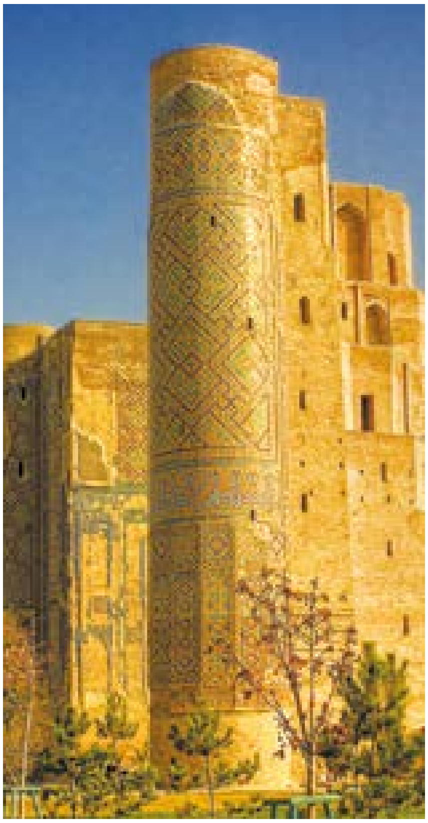
Lake Aydarkul, formed among the endless deserts of Kyzylkum, is constantly growing and includes three lakes: Tuzkan, Arnasay and Aydarkul. Lake Aydarkul is located away from human settlements, and therefore silence and an atmosphere of solitude with nature reign here.

3 Pilgrimage tourism

Today, not all well-known tourist destinations can offer their guests places for pilgrimage tourism. Visiting holy places is a special kind of tourism.

Uzbekistan is a country with a large concentration of holy places- mausoleums, mosques, memorial complexes, caves, etc. For many centuries, this land was the center of the intersection of different cultures and civilizations, different religions were preached here and therefore unique ancient monuments related to the Islamic, Buddhist and Christian religions, as well as Sufism, have been preserved. Thus, Uzbekistan is one of the few countries in the world that has a great potential for the development of pilgrimage tourism. Throughout the world, it is known as the only place- the cradle of Sufism. Moreover, Khorezm region is also the cradle of the first major world religion- Zoroastrianism (fire worship).

The most valuable monuments of Islamic culture are recognized as UNESCO World Heritage Sites. Among them is the city of Bukhara, called Bukhara-Sharif in the Islamic world, which means Blessed Bukhara. The city of Samarkand, in which there are a considerable number of significant holy places. The city of Shakhrisabz is the birthplace of Amir Temur.



Of course, these cities have an ancient and rich history, they have undergone significant changes throughout their lives.

The mausoleum of Khoja Daniyar deserves special attention. Daniyar is Muslims name of the prophet Daniel. The tomb where the ashes of St. Daniel rest is constantly increasing in length. This is an obligatory place to visit for every tourist and pilgrim who comes to Samarkand. Water from a local source is considered sacred. Religious leaders note that this is one of the rare places where Muslims, Christians and Jews come to pray.

In 1968, a statue of Buddha was discovered on the territory of the old city of Termez and since then this land has become the main object for the study of many archaeologists, later the oldest Buddhist temple complexes were discovered: Fayaztepa (1st century BC- 3rd century AD), Kampyrtepa, Karatepa. And the discovery of elements of the famous Airtam frieze depicting ancient musicians was evidence that Buddhism was once preached in this region.

4 Ethnic tourism

Travel companies in Uzbekistan offer a wide variety of ethnic tours to choose from. Here you can take part in the life of local villagers, live in a remote village or in yurts, attend a local wedding or a celebration on the occasion of the birth of a child, ride horses and camels, go on a safari through the colorful deserts and enjoy the unique exotic fauna of the many-sided Uzbekistan.

You will be able to join the life and culture of the peoples of Uzbekistan and study the centuries-old traditions and way of life of local residents against the backdrop of pristine nature.

O'ZBEKISTON FESTIVALLARI

O'zbekiston - unumdor zamin, xalqi esa samimiy va mehmondo'st. Asrlar davomida uning aholisi an'anaviy o'yinlar, sport musobaqalari, tomoshalar bilan o'tadigan rang-barang festivallar va bayramlar uyushtirib kelgan. Hozirgi kunda mamlakatda tobora ko'proq xalqaro madaniy, musiqiy va tematik tadbirlar o'tkazilmoqda. Yil davomida turli festivallar va milliy bayramlar nishonlanadi. Ayniqsa, sayyohlik mavsumi sanalgan bahor va kuz fasllarida mamlakatning bir qancha hududlarida yorqin tadbirlar bo'lib o'tadi. Mo'ynoqdagi "Stixiya", Samarqanddagi "Sharq taronalari" xalqaro musiqa festivallari, shuningdek, Marg'ilondagi "Adras", Surxondaryodagi "Boysun bahori", Buxoroda "Ipak va ziravorlar", Xivadagi qovun sayli va boshqa ko'plab tadbirlar shular jumlasidandir.

Musiqa festivallari

"Sharq taronalari" xalqaro musiqa festivali Markaziy Osiyodagi eng yirik festivallardan biridir. U Samarqand shahrining yuragi hisoblangan Registon maydonida o'tkaziladi. "Sharq taronalari" turli mamlakatlarning milliy musiqa san'atini ulug'lash maqsadida yaratilgan.

"Stixiya" - Moʻynoqda oʻtkaziladigan xalqaro elektron musiqa, san'at va ilm-fan festivali. Dastlab bu faqat musiqiy tadbir boʻlgan, bugungi kunda esa «Stixiya» musiqachilar, DJ-lar, prodyuserlar, san'at arboblari va olimlar jalb etilgan bir nechta loyihalarni oʻzida birlashtiradi. Ularning barchasini yer yuzidagi oʻziga xos maskanda diqqatga sazovor joy yaratish maqsadi birlashtiradi.

Gastronomik festivallar

Xorazm viloyatidagi "Xorazm baliq taomlari" festivali. Bu festivalda Xorazm viloyatida yetishtiriladigan baliq turlari, ulardan tayyorlangan taomlar koʻrgazmasi tashkil etiladi. Festivalda mamlakatimizning barcha hududlaridan kelgan baliq taomlari boʻyicha mutaxassislar, mohir oshpazlar ishtirok etadi. Ushbu aksiya Xorazm viloyati va Qoraqalpogʻistonda gastronomik turizm salohiyatini rivojlantirishga qaratilgan.

Xivadagi qovun sayli

Xorazm viloyati shirin navli qovunlari bilan mashhur. Ayniqsa faqat Xorazm viloyati va Qoraqalpogʻistonda oʻsadigan Xorazm qovunchiligi ramzi boʻlgan "Gurvak" navi alohida oʻrin tutadi. Qovun sayliga tashrif buyurgan mehmonlar 40 dan ortiq qovun turlari bilan tanishish va tatib koʻrish imkoniyatiga ega boʻladilar.

Folklor festivallari

Oʻzbekistonning janubida joylashgan Boysun shahrida 2002-yildan buyon "Boysun bahori" festivali oʻtkazilib kelinadi. Ushbu festival an'analarga sodiqlik va tarixiy merosga hurmat ramzidir. Bu yerda milliy tomoshalarning xilma-xil koʻrinishlarini oʻzida aks ettiradigan turli-tuman folklor jamoalari oʻz san'atlarini namoyish etadi.

"Milliy xalq oʻyinlari" festivali

Buxoro viloyatida milliy va xalq oʻyinlari tomoshalari oʻtkaziladi. Festivalda mamlakatimizning turli nuqtalaridan kelgan folklor-etnografik jamoalari qadimiy raqs va koʻngilochar an'analarning goʻzalligini namoyish etadi. Teatrlashtirilgan yorqin tomoshalarga esa yarmarkalar, milliy oʻyinlar hamisha hamroh boʻladi.

"Ipak va ziravorlar" festivali

Buxoroda oʻtkaziladigan ushbu festival Oʻzbekistondagi eng yorqin va mashhur an'anaviy tadbirlardan biri. Buxoro shahri asrlar davomida savdo, hunarmandchilik, ilm-fan, ta'lim, madaniyat va ma'naviyat markazi hamda Buyuk Ipak yoʻlida muhim toʻxtash joylaridan biri boʻlib xizmat qilgan. Buxoroda hunarmandchilik azaldan rivojlanib kelgan. Endilikda "Ipak va ziravorlar" festivali xalq amaliy san'ati va ogʻzaki ijodi yutuqlarini namoyish etmoqda.

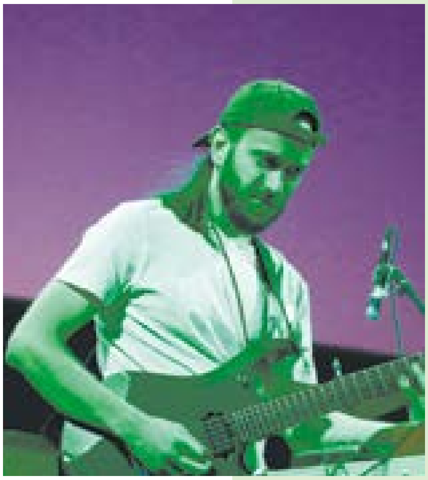
Bu rang-barang va oʻziga xos tadbirlar Oʻzbekiston xalqining qadimdan saqlanib qolgan madaniy an'analari va xususiyatlarini yaqqol namoyon etadi. Ularni "xalqning ruhi" deb atash mumkin. Odatda festivallar ommaviy sayllarga ulanib ketadigan raqslar, xalq qoʻshiqlari, dorbozlarning chiqishlari, esdalik sovgʻalari sotiladigan doʻkonlari, lazzatli milliy taomlarni tatib koʻrishingiz mumkin boʻlgan pazandalik tanlovlariga boy yarmarkalar va tomoshalar bilan oʻtkaziladi.

Festival tashkilotchilari yangi, oʻzgacha va mutlaqo gʻayrioddiy narsalarni topishingiz mumkin boʻlgan sayyohlik yoʻnalishi sifatidagi Oʻzbekiston haqida gapirishlari muhim hisoblanadi. Oʻzbekistonda turizmni rivojlantirish konsepsiyasiga koʻra, mamlakat festivallar diyoriga aylanishi kerak va shuning uchun ham bunday tadbirlar roʻyxati doimiy ravishda yangilanib turadi. Agar ilgari mamlakatda oʻtkazilgan festivallar koʻproq milliy xususiyatga ega boʻlgan boʻlsa, bugungi kunda "Rally Muynak", jazz, teatr festivallari, xalqaro sport musobaqalari va boshqa qiziqarli zamonaviy tadbirlar ham oʻtkazilmoqda. Ularning barchasi Oʻzbekistonning boy tarixiy-madaniy merosini ommalashtirish bilan bir qatorda mamlakatimizga tashrif buyurish uchun qiziqish va ishtiyoqni oshirishga qaratilgan.

Odatda barcha mehmonlar mahalliy aholining samimiyligi, ochiqligi va mehmondoʻstligini qayd etadi. Boy meros, rang-barang an'analar va mehmonlarga chuqur hurmat – bularning barchasi Oʻzbekistonga yana va yana qaytish istagini uygʻotadi.

FESTIVALS IN UZBEKISTAN

Uzbekistan is a fertile land with hospitable and friendly people. For centuries, its residents have been hosting colorful festivals and holidays with traditional games, sports and performances. Now more and more international cultural, musical and thematic events are taking place in the country. Festivals and national holidays are celebrated all year round. Especially during the high tourist season, in spring and autumn, bright events are celebrated all year round in all regions of the country. International music festivals: The Stihia in Muynak, Sharq Taronalari in Samarkand, as well as Adras Festival in Margilan, Boysun Bahori in Surkhandarya, Silk and Spices in Bukhara, the melon festival in Khiva and many others.



Music festivals

Sharq Taronalari International Music Festival is one of the largest festivals in Central Asia. It is held in the heart of the city of Samarkand, at Registan Square. Sharq Taronalari was created to glorify the national musical art of different countries.

The Stihia- International festival of electronic music, art and science in Muynak.
Initially it was exclusively a musical event, but today The Stihia has become a mixture of several projects involving musicians, DJs, producers, artists and scientists. All of them are united by a single goal of creating a powerful attraction in a very unusual place on earth.

Gastronomic festivals

Festival of Khorezm fish dishes. There is an exhibition of fish species grown in Khorezm region, and the meals. Specialists of fish meals, professional chefs from all regions of the country take part in the festival. This action is designed to promote the potential of gastronomic tourism in Khorezm region and Karakalpakstan.

Melon Festival in Khiva

Khorezm region is traditionally famous for its sweet varieties of melons. Here Gurvak is a special variety. Therefore, a festival is held here. Each guest can get acquainted and taste of over 40 different types of melons.

Ethnic festivals

Boysun Bahori festival has been held in the south of Uzbekistan, in the city of Boysun since 2002. It symbolizes adherence to traditions and respect for the historical heritage. There is a rich variety of various folklore groups representing different types of national entertainment.

National Folk Games festival

Shows of national and folk dances are held in the Bukhara region.
At the festival, folklore and ethnographic groups from different regions of the country demonstrate the beauty of ancient dance and entertainment traditions. Bright theatrical performances are always accompanied by fairs and national games.

Silk and Spices Festival

The city of Bukhara has been a center of trade, crafts, science, education, culture and spirituality for centuries and an important stop on the Great Silk Road. Crafts have always developed in Bukhara. And now Silk and Spices festival demonstrates the achievements of the development of folk arts and crafts.

These colorful and original events clearly demonstrate the cultural traditions and characteristics of the people of Uzbekistan, preserved since ancient times. They can be called as the soul of the people. Usually festivals are accompanied by mass festivities with rich fairs and shows: dances, folk songs, performances of tightrope walkers, souvenir shops, cooking competitions where you can taste delicious national dishes.

For festival organizers it is important to position Uzbekistan as a tourist destination where you can find something new, fresh and completely unusual.

According to the concept of tourism development in Uzbekistan, the country should turn into a country of festivals, and that is why the list of such events is constantly updated. If earlier festivals in the country were more of a national character, today modern festivals are also held, such as Rally Muynak, Jazz Festival, Theater Festival, international sports competitions and other equally interesting events.

All of them, along with the rich historical and cultural heritage of Uzbekistan, are designed to increase interest and desire to visit our country.

Usually all guests note the sincerity, openness and friendliness of the locals.

A rich heritage, colorful traditions and deep respect for guests - all this will make you want to return to Uzbekistan again and again.

O‘ZBEKISTON TURIZM QISHLOQLARI

So‘nggi yillarda dunyo bo‘ylab turizm sohasining yo‘nalishlari orasida qishloq turizmi ommalashib bormoqda. Shahar shovqinidan dam olib, sokinlik va tabiatning go‘zalligidan bahramand bo‘lish uchun O‘zbekistonning zamonaviy texnologiyalardan xoli, ammo havosi musaffo, o‘ziga xos va qadimiy tarixning bir parchasi bo‘lgan chekka qishloqlarida dam olishingiz mumkin.

Endilikda o‘zbek qishloqlarida yashashning imkoni paydo bo‘ldi. Siz chekka hududlarda joylashgan qishloqlarga borib, u yerda joylashishingiz va mahalliy aholining turmush tarzini bilib olishingiz mumkin. Variantlar talaygina – chorvachilikdan (yilqichilik, qoramolchilik, baliqchilik, parrandachilik) tortib meva va sabzavotlarni yetishtirishgacha. Odatda, chekka o‘zbek qishlog‘idagi uylar paxsa yoki xom g‘ishtdan qurilgan, kichik darvoza orqali kiriladigan bo‘ladi. U yerlardagi deyarli har bir oila o‘zining tomorqasi va bog‘iga ega. Qishloqlarda siz mehmon kutish uchun mo‘ljallangan maxsus uylarda to‘xtab o‘tishingiz mumkin bo‘ladi.

Har bir mehmonning tashrif buyurishi bilan mezbonlar ularni iliq kutib olishib, oldilariga bezatilgan dasturxon yozib, bayram taomi hisoblangan palovni tayyorlashadi. Bunday uylarning ichki qismida siz atrofiga yumshoq koʻrpachalar toʻshalgan, tandirda pishgan issiq non va somsalar bilan bezatilgan xontaxta atrofida oʻtirasiz. Milliy taomlar esa asosan oʻchoqda tayyorlanadi. Toza togʻ havosida sharqona ziravorlar qoʻshib tayyorlangan taomlar yanada mazalidir. Bundan tashqari, istasangiz milliy taomlarni tayyorlash jarayonida ishtirok etishingiz ham mumkin boʻladi.

Qishloq turizmining boshqa turdagi turizm yoʻnalishlaridan ajralib turadigan eng muhim jihati shundaki, mehmon mahalliy aholi hayotida yashab koʻrishi, shu tariqa oʻlkani reklama broshyuralarida yozilgandan koʻra koʻproq oʻrganishi, ot va tuya kabi jonzotlarni minib koʻrishi mumkin. Har bir qishloqning oʻziga xos madaniy qadriyatlari mavjud boʻlib, u oʻzbek xalqining butun oʻziga xosligi va turmush tarzini oʻzida aks ettiradi. Bu yerlarda koʻpincha toʻylar, mahalliy va anʼanaviy bayramlar oʻtkaziladi, mahalliy aholi esa oʻz mehmonlarini bunday tadbirlarga mamnuniyat bilan taklif qiladi.

Shu bilan birga, Oʻzbekistonning chekka goʻshalari ham qiziqarli, tarixiy maskanlardan xoli emas va ular tarixchilar tomonidan hali toʻliq oʻrganilmagan. Masalan, Navoiy viloyatida Sarmishsoy darasidan uncha uzoq boʻlmagan joyda Sentob turizm qishlogʻi joylashgan. U yerda siz yuzlab toshga oʻyilgan rasmlarni koʻrishingiz mumkin. Andijon viloyatida esa tarixiy qadamjolarga ega Imom ota qishlogʻi mavjud. Toshkent viloyatida Kumushkon sayyohlik qishlogʻi joylashgan boʻlib, uning hududida shifobaxsh suvli buloq bor.

Oʻzbekistonning turizm qishloqlarida mutlaqo oʻzga dunyoni, betakror oʻsimlik va hayvonot olamini kashf etishingiz, xalqning mentaliteti bilan tanishib, ekologik toza mahsulotlardan bahramand boʻlishingiz mumkin.

Tourist villages of Uzbekistan

In recent years, among the various types of tourism in the world, rural tourism is gaining particular popularity. You can take a break from the bustle of the city, enjoy the silence and the pristine beauty of nature in the remote villages of Uzbekistan, where there are no modern technologies, but there is clean air, originality and a piece of ancient history.
Nowadays, it is possible to live in an Uzbek village. You can come to a remote region, settle in a village and find out how the locals run their household.

There are many options- from animal husbandry (horse breeding, cattle breeding, fishing, poultry farming) to growing vegetables and fruits. Often traditional houses in the Uzbek outback are made of clay with a small entrance.

Almost every family in the outback has its own piece of land with a small orchard and a farm. You can stay in the village in a guest house, which is designed specifically for receiving guests.

From the very beginning of the stay, local residents will make a warm welcome for each guest: with their best dastarkhan(serving), they will definitely prepare a festive dish, usually a delicious Uzbek pilaf. The interior in such houses is designed in an authentic style. Here, a khontakhta (low table) is used for meals, and people sit on soft kurpachas (blanket). Bread and samsa are baked in a special clay oven- tandoor. Most national dishes are cooked on an open fire. Dishes cooked in the fresh mountain air with oriental spices are doubly tastier. In addition, you will be shown the process of preparing national dishes and, if you wish, you can take part yourself.

The most important thing that distinguishes rural tourism from other types of tourism is that the guest will be able to participate in the life of the local people, thus learn much more about the country than is written in guidebooks and advertising brochures, ride horses and camels. Each village has its own cultural code, which conveys all the originality and way of life. Local festivals, weddings, traditional holidays are often held here, where the natives will gladly invite their guests.

However, the remote corners of Uzbekistan are also not devoid of interesting historical sites that are not yet fully studied by historians, but no less exciting. For example, in the Navoi region, not far from the Sarmyshsay gorge, there is a tourist village of Sentob. There you can see hundreds of rock paintings. In Andijan region there is Imam-ota village, with ancient shrines. The tourist village of Kumushkan is located in the Tashkent region, on the territory of which there is a mountain spring with healing water.

You can discover a completely different unknown world, completely unique flora and fauna, get to know the mentality of the people and enjoy environmentally friendly products in tourist villages of Uzbekistan.

2023-yilda Samarqand jahon turizm poytaxti boʻladi

Jahon turizm tashkiloti (UNWTO) Bosh assambleyasining 25-sessiyasi 2023-yilda Samarqandda boʻlib oʻtadi. Oʻzbekiston ilk bor Jahon turizm tashkilotining Bosh assambleyasiga mezbonlik qiladi. Bu haqda Oʻzbekiston Respublikasi Bosh vazirining oʻrinbosari, Turizm va madaniy meros vaziri Aziz Abduhakimov 2021-yilda Ispaniyaning Madrid shahrida boʻlib oʻtgan UNWTO 24-sessiyasi doirasida ovoz berib boʻlinganidan soʻng maʼlum qildi.

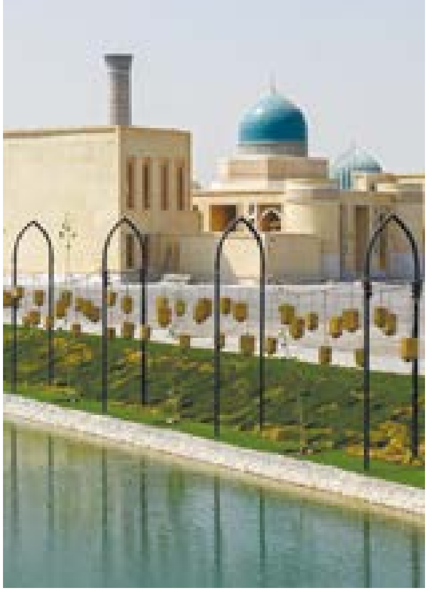
Bugungi kunda Oʻzbekiston tarixidagi ikkinchi poytaxt boʻlgan Samarqand dunyoning koʻplab shaharlari bilan hamkorlikni mustahkamlamoqda. Oʻzbekistonning aksariyat shaharlari Osiyo, Yevropa, Amerika va Avstraliyaning birodar shaharlari bilan yaxshi aloqalarga ega. Samarqand oʻndan ortiq birodar shaharlar bilan aloqalar oʻrnatgan. Ular orasida Krasnoyarsk va Samara (Rossiya), Plovdiv (Bolgariya), shuningdek Rio-De-Janeyro (Braziliya), Florensiya (Italiya), Lvov (Ukraina), Bremen (Germaniya) shaharlari bor. Bu shaharlar Samarqand bilan mamlakatlar oʻrtasidagi ikki tomonlama munosabatlarnining mustahkamlanishi yoʻlidagi yana bir katta koʻrsatkichidir.

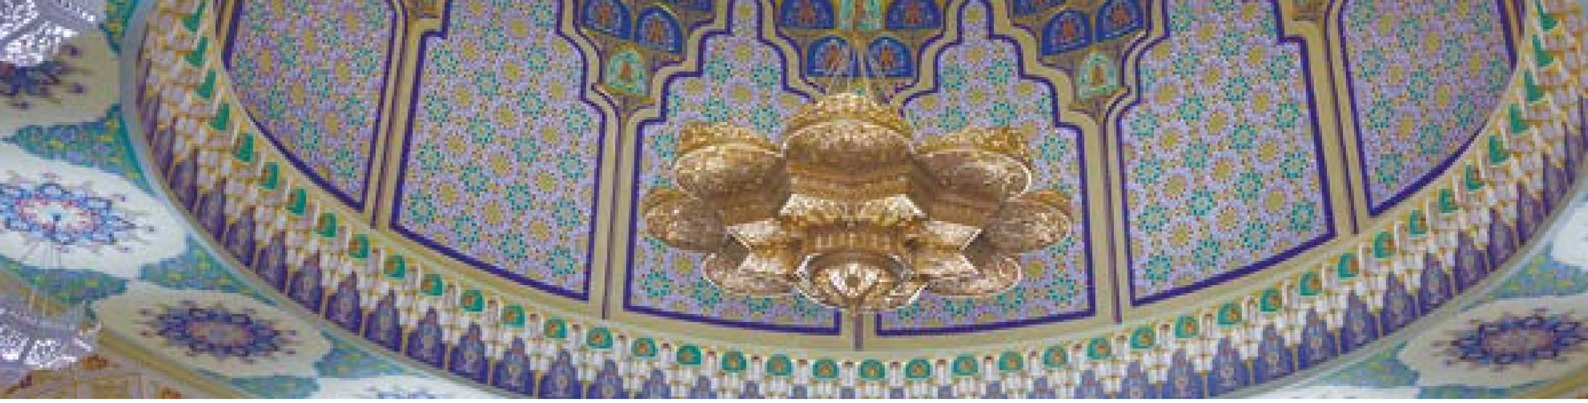
Sayyohlik salohiyatining rivojlanishi bilan chet tillarini oʻrganishga talab ham ortib bormoqda. Oʻzbekiston Respublikasi Prezidentining 2018-yil 28-iyundagi Farmoni bilan xalqaro maqomga ega boʻlgan birinchi “Ipak yoʻli” xalqaro turizm universiteti tashkil etilgan boʻlib, u taʼlim, fan va ishlab chiqarishni yaqindan integratsiyalashuviga asoslangan oliy taʼlim muassasasi sanaladi. Ushbu oliy taʼlim muassasasi mamlakatimizda turizm sohasidagi birinchi universitet hisoblanadi. Taʼlim muassasasi mamlakatimiz turizmini rivojlantirish va targʻib qilish sohasida mutaxassislar tayyorlaydi, shuningdek, Oʻzbekistonga sayyohlar oqimini oshirishga xizmat qiladi.

Soʻnggi yillarda Samarqand tanib boʻlmaydigan darajada oʻzgardi. Yangi sayyohlik joylari hamda Samarqand xalqaro aeroportining yangi terminali qurilishi mazkur sohada xizmat koʻrsatish imkoniyatlarini kengaytirishga xizmat qiladi. Silk Road Samarkand sayyohlik markazi qurildi. Mashhur eshkak eshish kanalining ikki qirgʻogʻida joylashgan “Boqiy shahar” etnoshaharchasi, mehmonxonalar va Kongress zali barpo etildi.

Koʻp funksiyali sayyohlik markazida sakkizta xalqaro darajadagi mehmonxona oʻz eshiklarini ochdi. Ulardan ikkitasi 5 yulduzli toifaga toʻgʻri keladi va yana biri esa – Samarkand Regency Amir Temur – The Leading Hotels of the World dunyoning yetakchi mehmonxonalari uyushmasiga kiritilgan Markaziy Osiyodagi birinchi va hozirda yagona mehmonxona hisoblanadi.

Samarqandda ziyorat turizmi ham juda rivojlangan. Dunyoga mashhur Imom Al-Buxoriy maqbarasida rekonstruksiya va qoʻshimcha qurilish ishlari jadal davom etmoqda.





Mahalliy va xorijiy ziyoratchilar uchun qulay shart-sharoitlar yaratish maqsadida xalqaro standartlarga toʻliq javob beradigan zamonaviy mehmonxonalar, maishiy xizmat koʻrsatish, sanitariya va gigiyena punktlari quriladi. Taʼkidlash joizki, Samarqand 2023-yilda 1,5 milliondan ortiq sayyohni qabul qilishni rejalashtirmoqda.

Samarqand xalqaro aeroporti katta tranzit xabga aylanmoqda. Bugungi kunda xorijiy aviakompaniyalarning Samarqandga amalga oshirayotgan qatnovlari soni ortdi. Uzbekistan Airways shuningdek, Samarqanddan Moskva, Sankt-Peterburg va Istanbul yoʻnalishlaridagi xalqaro parvozlarni amalga oshiradi.

Ichki turizmni rivojlantirish maqsadida Toshkentdan toʻrt marta, Fargʻona vodiysidan esa Samarqand – Namangan va Andijon – Samarqand yoʻnalishlarida haftasiga yana toʻrtta qatnov yoʻlga qoʻyilgan.

Yaqinda Samarqand shahrida boʻlib oʻtgan Shanxay Hamkorlik Tashkilotiga (SHHT) aʼzo davlatlar rahbarlari sammiti ham mamlakatimizda turizm sohasini rivojlanishiga xizmat qiladi.

SAMARKAND WILL BECOME THE WORLD TOURISM CAPITAL IN 2023

The 25th session of the General Assembly of the World Tourism Organization (UNWTO) will be held in 2023 in Samarkand. For the first time in the history of Uzbekistan, the General Assembly of the UN World Tourism Organization will be held in our country. This was stated by the Deputy Prime Minister of the Republic of Uzbekistan, Minister of Tourism and Cultural Heritage Aziz Abdukhakimov after voting at the 24th session of the UNWTO, which was held in 2021 in Madrid, Spain.

With the development of tourism potential, the demand for knowledge of foreign languages also increases. By the Decree of the President of the Republic of Uzbekistan dated June 28, 2018, the first state university with international status was organized - the Silk Road International University of Tourism, a higher educational institution based on the close integration of education, science and production. The institution of higher education is the very first university in the field of tourism in our country.

Samarkand, which was the second capital in the history of Uzbekistan, today strengthens cooperation with many cities of the world. Most cities in Uzbekistan maintain links with sister cities in Asia, Europe, America and Australia. So, Samarkand has more than ten sister cities. Among them are Russian ones- Krasnoyarsk and Samara, Plovdiv (Bulgaria), as well as Rio de Janeiro (Brazil), Florence (Italy), Lvov (Ukraine), Bremen (Germany). This is another big indicator that these cities will support with Samarkand in strengthening bilateral relations between the countries.

The educational institution will train specialists in the field of development and promotion of tourism in our country, as well as increase the passenger flow of tourists to Uzbekistan.

In recent years, Samarkand has been transformed beyond recognition. The construction of new tourist locations, as well as a new terminal of Samarkand International Airport, will expand the possibilities for providing services in this area. The Silk Road Samarkand tourist center was built. On the two banks of the famous Rowing Canal are located: the Eternal City ethno-town, a winery, hotels and an impressive three-story Congress Hall. Eight hotels of international level have opened their doors in the multifunctional tourist center. Two of them correspond to the category of 5 stars, and one of them- Samarkand Regency Amir Temur is the first and so far the only hotel in Central Asia, included in the association of leading hotels in the world The Leading Hotels of the World. Pilgrimage tourism is also very developed in Samarkand. Reconstruction of the world-famous mausoleum of Imam al-Bukhari is in full swing. In order to create favorable conditions for local and foreign pilgrims, modern hotels, consumer services, sanitation and hygiene points will be built that fully meet international standards. Samarkand plans to receive more than 1.5 million tourists in 2023.

Samarkand International Airport is turning into a large transit hub. To date, the number of flights operated by foreign airlines to Samarkand has increased. Uzbekistan Airways also operates international flights from Samarkand to Moscow, St. Petersburg and Istanbul. For the development of domestic tourism from Tashkent four times, and from the Ferghana Valley to the ancient city, four more flights a week were delivered in the direction of Samarkand- Namangan and Andijan- Samarkand.

The recent summit of the heads of state of the Shanghai Cooperation Organization (SCO) member states in Samarkand is a great incentive for the development of tourism in our country.

O'zbek milliy oshxonasi

Xalqlar madaniyatining qanchalik darajada boy, uzoq tarixga ega ekanligini ularning milliy oshxonasiga nazar solib bilib olish mumkin. O'zbek oshxonasida tayyorlanadigan taomlar ham yillar mobaynida sayqallanib, san'at darajasiga yetgan va ular 7 yoshdan 70 yoshgacha bo'lgan insonlarga, yurtimiz mehmonlariga birdek yoqadi.

Ichimliklar

O'zbek oshxonasini uning ichimliklarisiz tasavvur qilib bo'lmaydi. Ayniqsa undagi ko'k va qora choylarni xush ko'ruvchi insonlar talaygina. Ular nafaqat xushbo'yligi, balki shifobaxsh ekanligi bilan ham boshqa ichimliklardan ajralib turadi. Masalan, ko'k choy qon bosimi baland insonlarga, qora choy esa kamqonlik bilan og'rigan bemorlarga tavsiya etiladi.

Ichimliklardan yana biri yozning issiq jaziramasida odamning issiqlik taftini oluvchi ayrondir. Ayronni asosan yoz faslida oftob urganda ichish ayni muddao. Yana bir ichimlik qurutilgan o'rik qoqisidan tayyorlanuvchi o'rik sharbatidir. Ushbu sharbat mazali va quvvatbaxsh.

Non mahsulotlari

Oʻzbekning dasturxoniga koʻrk berib turuvchi, uni haqiqiy milliy koʻrinishda boʻlishiga yordam beruvchi bu - non va non mahsulotlaridir. Oʻzbekiston boʻylab ularning xilma-xil koʻrinishlari mavjud. Patir, qatlama, obi non, choʻzma, qush tili shular jumlasidan. Ular har bir insonning hotirasida oʻzining tansiqligi bilan esda qoladi.

Suyuq taomlar

Shoʻrva, mastava, moshxoʻrda, lagʻmon butun dunyoga mashhur boʻlgan oʻzbek oshxonasining taomlaridandir. Oʻzbekistonga kelgan har bir mehmon ushbu taomlarni tatib koʻrmasdan ketmaydi va albatta mamlakatga qaytib kelganda ularni yana isteʼmol qilishni istaydi. Oʻz navbatida mazkur shifobaxsh taomlar tayyorlanishi boʻyicha bir qancha turlarga boʻlinadi. Masalan shoʻrva. Shoʻrvaning qovurma, qaynatma, noʻxat shoʻrva kabi turlari mavjud va har birining organizm uchun oʻz foydasi bor.

Quyuq taomlar

Oʻzbek milliy oshxonasining mazali taomlari haqida koʻplab kitoblar yozilgan. Buning sababi esa oʻzbek oshxonasining milliy taomlarga boyligi, ularning turli tuman ekanligidadir. Manti, shavla, moshkichiri, qovurdoq, kabob, norin, tandir somsalarni qanday taom ekanligini bilmaydigan insonning oʻzi yoʻq. Butun dunyoga dongʻi ketgan palovni esa muxlislari talaygina. Ayniqsa bayram, toʻy - hashamlarda barra qoʻy goʻshtidan tayyorlanadigan Qashqadaryo tandir kabobi, Buxoroning xushboʻy ziravorlari qoʻshib tayyorlangan olot somsasi, mayinligi ipakdek boʻlgan Toshkent norinlari esa nafaqat bayram dasturxonlarida yoki mehmon kutilganda, balki odamlarning kundalik hayotida ham sevib isteʼmol qilinadi.

Shirinliklar

Boshqa xalqlarning milliy oshxonasida boʻlgani kabi oʻzbeklarning taomnomasida ham shirinliklar sezilarli darajada yetarli va rang-barang. Ularning masalligʻi tabiiy va oddiy mahsulotlardan tarkib topganligi bilan tayyorlash uchun qulay. Ulardan sumalak, parvarda, holva, pashmak, nisholda, holvaytar, novvot, shakarqandlar ogʻizda asal kabi erib ketadi. Oʻzbek oshxonasining taomnomasi keng boʻlgani uchun shirinliklar ham mamlakatning barcha viloyatlarida boshqacha tayyorlanadi. Undan tashqari bayramlarda, toʻy – hashamlarda pishiriladigan maxsus shirinliklar ham bor.

Oʻzbek milliy oshxonasi milliy taomlarga, turli-tuman meva va sabzovotlarga boy. Bu haqida koʻp gapirish mumkin. Lekin ularni shunchaki his qilish uchun esa bir marotaba tatib koʻrish kifoya qiladi. Oʻzbekistonga tashrif buyuring va rang-barang oshxonamizdan bahramand boʼling.

UZBEK NATIONAL CUISINE

The dishes prepared in the Uzbek cuisine have been refined over the years and reached the level of art, and they are equally liked by people from 7 to 70 years old and guests of our country.

DRINKS

It is hard to imagine Uzbek cuisine without drinks. Especially, there are many people who love to drink green and black tea. They are distinguished from other drinks not only by their aroma, but also by their healing properties. For instance, green tea is recommended for people with high blood pressure, and black tea for patients with anemia. Another one of the drinks is ayran (made from sour milk and basilic), which takes the warmth of a person in the hot summer heat. It will be nice to drink it when you get sunstroke during hot summer days. Urik sharbati (apricot juice) is another drink made from dried apricot pulp. This juice is delicious and energizing.

Bread and bakery products

Bread and bakery products give beauty to the Uzbek table and help it to be truly national. There are so many types of them throughout Uzbekistan. Patyr, katlama, obi non, chuzma, kush tili are among them. They will be remembered in everyone's memory with their uniqueness.

First course

Shurpa, mastava, moshkhorda, laghman are among the dishes of Uzbek cuisine. Every guest who comes to Uzbekistan does not leave without tasting these dishes and definitely wants to eat them again when returns home.

In turn, these dishes are divided into several types according to their preparation. For example, shurpa. There are types of shurpa, such as fried, boiled, pea shurpa, and each of them has its own benefits for the body.

Second meal

Many books have been written about the tasty dishes of Uzbek national cuisine. The reason for this is that Uzbek cuisine is so various: manti, shavla, moshkichiri, kovurdok, kebab, narin, tandir somsa. And pilaf, which is famous all over the world, has many fans. Moreover, Kashkadarya tandir kabob made from fresh lamb meat, Olot somsa made with aromatic spices of Bukhara, and silky soft Tashkent narin are not only on festive tables, but also loved and consumed in daily life.

Sweets

As in the national cuisine of other nations, the Uzbeks' menu of sweets is remarkably sufficient and varied. These sweets are easy to prepare as they are made from natural and simple products. Among them, sumalak, parvarda, halva, pashmak, nisholda, holvaitar, novvot, shakar kand melt in the mouth sweet as a honey bee. Since the menu of Uzbek cuisine is wide, they are prepared differently in all regions of the country. In addition, there are also special sweets that are cooked on holidays and weddings.

Uzbek national cuisine is rich in national dishes, various fruits and vegetables. But it is just enough to taste them once so as to feel how delicious and unique they taste. Visit Uzbekistan and enjoy our colorful cuisine.

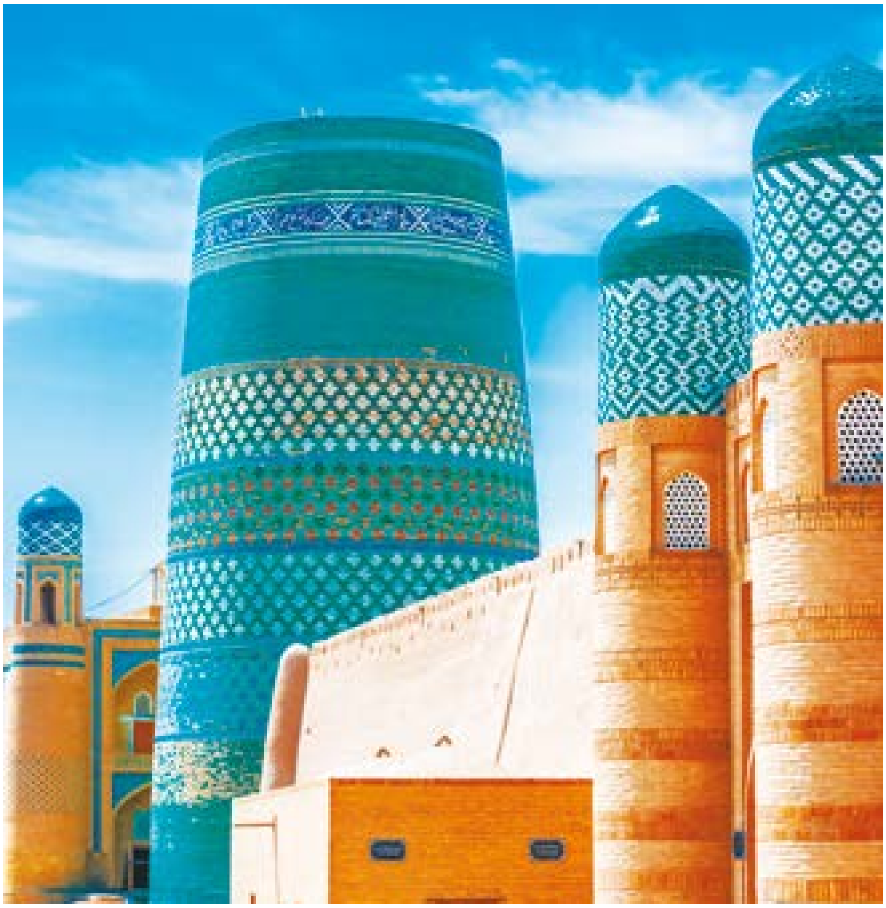
Mehmondo‘st xalqi

Mamlakatga bo‘lgan tashrifingiz chog‘ida sizda qoluvchi eng asosiy taassurotlardan biri - odamlardir. O‘zbekiston xalqi o‘zining mehmondo‘stligi, tabassumi va ochiqko‘ngilligi bilan ajralib turadi. Mehmonlarni mamnuniyat bilan qarshi oluvchi mahalliy aholi ularga har qanday vaziyatda yordam qo‘lini cho‘zadi.

Hospitable people

One of the main impressions from visiting the country is the people. The people of Uzbekistan are distinguished by their hospitality and openness. A hospitable local resident is always happy to help the guest.



4

Hayratlanarli Xorazm

Aytishlaricha, Xorazm oʻzining qadimiyligiga koʻra Misr bilan tenglasha oladi. Xiva 1990-yilda YUNESKOning Butunjahon merosi roʻyxatiga kiritilgan Oʻzbekistonning ilk shahridir. Xorazmga tashrif buyurish – oʻzga olamda, ajib musiqaning mutlaqo qadimiy dunyosida, gʻaroyib hunarmandchilik va mehmondoʻst insonlar orasida boʻlish demakdir.

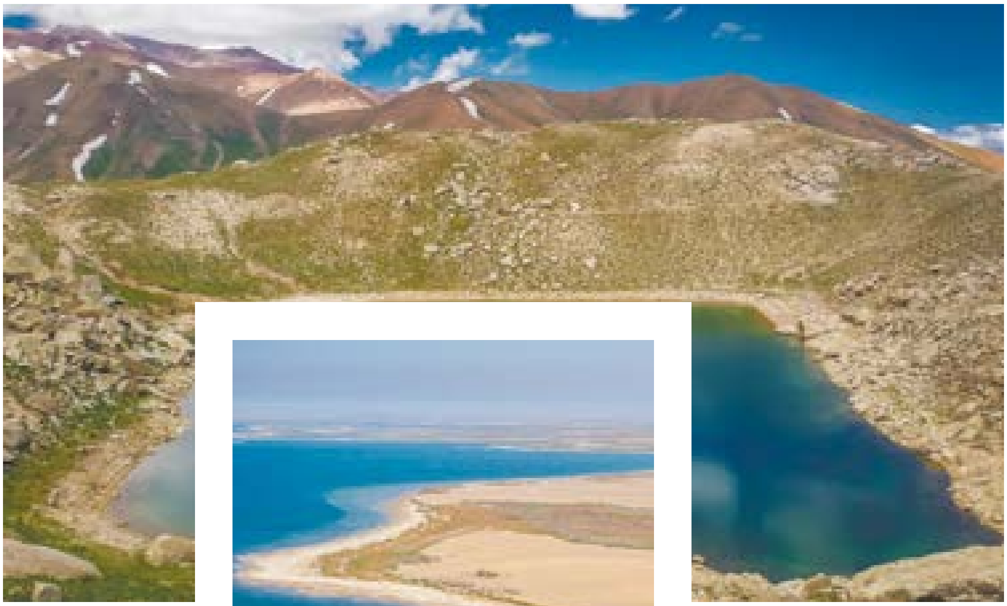
Amazing Khorezm

They say that in its antiquity, Khorezm can even be compared with Egypt. Khiva was the first city in Uzbekistan to be listed as a UNESCO World Heritage Site in 1990. To visit Khorezm is to get into another universe, an absolutely ancient universe of incendiary music, amazing crafts and hospitable people.

5

Ajoyib tabiat

Bu yerdagi jazirama choʻllar, viqorli togʻlar, hayratomuz daralar, sharqiroq daryolar hamda sokin koʻllar va goʻzal manzaralar uzoq yillar mobaynida yorqin xotira boʻlib qoladi.



Magnificent nature

Here, a variety of landscapes: hot deserts, highsnowy mountains, canyons, picturesque rivers and lakes will impress everyone. And these memories will remain vivid for many years to come.

Uzbekistan Airways`ning bort taomi

Joriy yilda aviakompaniya oʻzining bort menyusini yangilamoqda. Asta-sekinlik bilan turli yoʻnalishlardagi parvozlarda zamonaviy taomlar tarqatilishi yoʻlga qoʻyilmoqda.

Oziq-ovqat mahsulotlarini toʻliq almashtirish uzoq kechadigan jarayon boʻlishiga qaramay, kelayotgan 2023-yilda yoʻlovchilarni har bir parvozda yangi menyu bilan kutib olish rejalashtirilgan.

Bort taomining yangi konsepsiyasida bir qancha tafovutlar bor, masalan ular
Yevropa va Osiyoga uchuvchi aviaqatnovlarda, parvoz vaqti 3 soatdan koʻp boʻlgan reyslarda, tongda yoki tunda parvoz qiluvchi aviaqatnovlarda mavjud. Uzbekistan Airways aviakompaniyasi xalqaro yoʻnalishlarda parvozlarni amalga oshirishini inobatga olsak, bortda taomlanish barcha xalqaro standartlarga javob beradi.

Yangi menyuning oʻzgargan konsepsiyasi va biznes-klassdagi xizmatlar esa besh yulduzli restoranlar talabiga toʻliq javob beradi. Biz yoʻlovchilarimizni hattoki parvoz jarayonida ham oʻzlarini chiroyli restoranda oʻtirgandek his qilishlarini istaymiz.

Uzbekistan Airways yoʻlovchilari oldindan maxsus taom buyurtirish xizmatidan bepul foydalanishlari mumkin. Ushbu xizmatni aviakompaniyaning veb-sayti hamda aviakassalarda amalga oshirish imkoniyati mavjud.

Uzbekistan Airways inflight meal

This year, Uzbekistan Airways is updating the inflight menu. Gradually, new inflight meals of modern dishes are being launched in all directions.
Despite the fact that a complete replacement of food is a rather lengthy process, it is planned to meet the new year 2023 with a new menu on board of each flight.

The new onboard menu will be divided into time cycles, each of which will have its own menu depending on the season, flight duration, class of service, departure time and direction.

The new concept of the inflight meals considering many nuances:
the direction of the flight - Europe or Asia;
flight duration - 3 hours or more;
departure time - early in the morning or at night.

Given that Uzbekistan Airways operates flights to international destinations, the inflight catering meets all international standards.

The updated concept of the new menu and business class service will meet the standards of five-star restaurants. We want our passengers to feel like they are in a good restaurant even during the flight.

Passengers of Uzbekistan Airways can use the services of ordering special meals free of charge in advance. The service is available both on the airline's website and at the ticket office when purchasing a ticket.
