"Ilk parvozim" to Bukhara

2022 20 May

On May 17-18, 2022, as part of the Ilk Parvozim social project, the Uzbekistan Airways team fulfilled the main dream of the second group of women from Temir Daftar - they went with them on their first flight on an airplane. During a two-day trip around Bukhara, women not only had a rest from everyday troubles, but also found friends.
