# Uzbekistan Airways notes the requirements of entrance to Uzbekistan

**2022 27 May**

In order to support tourism sphere and create favorable conditions for travel of foreign citizens to Uzbekistan, according to decision of The Special Commission of the Republic, a number of Corona virus restrictions have been cancelled and introduced new demands for entering Uzbekistan. Main requirements:

Foreign citizens are able to visit Uzbekistan having vaccination certificate/passport without PCR-test result. If visitors do not own vaccination certificate/passport, they will be required to have PCR test with a negative result (with an electronic QR - code) at least 72 hours before visiting the republic.

Uzbekistan Airways asks all passengers to familiarize themselves with these requirements once again before visiting The Republic of Uzbekistan
