Airline tickets from Uzbekistan Airways are more available now

2022 28 December

Uzbekistan Airways informs that the prices of airline tickets on the route Tashkent - Baku - Tashkent have been reduced. Today, Uzbekistan Airways operates flights on the Tashkent-Baku-Tashkent route on Tuesdays and Thursdays. The price of air tickets on the Tashkent-Baku route starts from 1,891,764 soums, and on the Tashkent-Baku-Tashkent route from 3,698,287 soums.

Airline tickets can be purchased from the airline company’s official website www.uzairways.com with a 3% discount, from the Uzbekistan Airways Sales branch or from the airline's agents.

Airline ticket prices are valid as of December 28, 2022.
