Uzbekistan Airways takes part in the International Tourism Exhibition FITUR-2023

2023 21 January

JSC Uzbekistan Airways takes part in at the International Tourism Exhibition FITUR-2023 as a part of the National Stand “Uzbekistan”, which takes place from January 18 to 22, 2023 in Madrid, Spain.

Spain is an interesting market for the airline in terms of the development of the route network and the preliminary establishment of relations with representatives of the tourism industry and airports, the possibility of determining transit and direct passenger flows.

This event is the first large-scale professional platform in 2023 to promote the airline’s services in the European market and popularize the tourism potential of Uzbekistan, as well as a good opportunity to increase passenger traffic on the flights of Uzbekistan Airways JSC, establish business relationships with potential partners.
