

Uzbekistan Airways participating in "Balttour" international tourism exhibition

2023 4 February

From 3 to 5 February 2023 as part of targeted activities to develop and popularize the airline's services, as well as increase foreign tourists on flights, Uzbekistan Airways JSC takes part in the International Tourism Exhibition Balttour-2023, which takes place in Riga, Latvia.

The international tourism exhibition "Balttour" is the most important tourism event in the Baltics, that helps travelers to choose routes and plan trips, and tourism industry professionals to establish new contacts and expand cooperation.

This event is a relevant platform for negotiations with travel agents and operators to strengthen the position of Uzbekistan Airways in the market of the Baltic countries and consider the possibility of increasing the frequency of flights.

On the very first day of the exhibition, the Uzbekistan Airways stand attracted the attention of both the business community in the field of tourism and individual tourists.

Visitors and guests of the exhibition are provided with full information about the services and opportunities of Uzbekistan Airways and the tourism potential of Uzbekistan.

We remind you that flights from Tashkent to Riga is operated twice a week on Mondays and Fridays.
