

The catering service guarantees halal in-flight meal

2023 8 February

Catering LLC, which is a structural subdivision of Uzbekistan Airways, always prepares delicious and healthy meals for passengers that meet international standards.

The catering service has implemented a food safety management system in accordance with the requirements of international standards ISO 22000:2018. Currently, it has certificates of GSO 2055-1:2016, HAS 23000 & 23021, MS 1500:2009 standards, confirming the preparation of in-flight meals for passengers, crews and technical personnel of aircraft in accordance with Islamic canons.

On September 08, 2020, the National Certification System of the Republic of Uzbekistan issued a certificate of conformity to Catring LLC according to the requirements of the Q'z DSt ISO 22000 standard. On September 11, 2020, Catring LLC received a certificate of compliance of the food safety management system with the requirements of the ISO 22000 international standard: 2018 from the “Русский Регистр” Certification Association. Also, on April 6, 2022, Catring LLC received a Halal certificate from Kaznur Standard.

At present, the catering service provides the following types of special menus that comply with the IATA standard, meet the sanitary requirements and norms of the Republic of Uzbekistan: vegetarian, Hindu, Muslim, children's, fruit, kosher, as well as gluten-free (gluten) food.

It should be noted that in January 2023, Uzbekistan Airways launched a new menu concept on 44 directions.
