

Uzbekistan Airways foreign representative offices

2023 27 March

Today, Uzbekistan Airways operates regular flights to more than 30 cities of the world, including New York, London, Frankfurt, Moscow, Dubai, Seoul, Istanbul, Delhi, Beijing, Kuala Lumpur, Almaty, Astana, Dushanbe, Minsk, Riga, Sharjah, Tbilisi. In order to help passengers who have arrived in these cities, with issues related to the airline, it has established its representative offices abroad.

The airline's foreign representative offices do many tasks, and the main ones are:

- participation in negotiations with airport services, border and customs structures on behalf of the airline;
- control of aircraft and passenger service issues;
- solves many administrative and organizational issues;
- purchase, reissue, refund reservation of airline tickets for passengers.

Uzbekistan Airways currently has more than 20 foreign representative offices. You can get acquainted with their address and contact information through the following link:
