Most beautiful cities in spring

2023 30 March

Spring with its aesthetic beauty and warm days makes every city and street look more gorgeous than usual. A person who walks in such cities increases his energy day by day and becomes the owner of a great mood.

One of such places is Tokyo. The sakura tree that blooms in March and April in this city will remain in the memory of every tourist for many years who went on a trip. If you want to witness this beauty, you can fly from Tashkent to Tokyo on Thursdays with Uzbekistan Airways.

Next stop is Milan. Many people consider it to be the house of fashion. But this city has the right to have the status of “the beautiful city of spring” not only because of its stunning fashion world, but also because it takes on a special color in the spring season. Travel with Uzbekistan Airways from our capital to Milan on Thursdays and Fridays.

Paris has always been a city for those who like romance, love. Especially in spring, the pleasant freshness of the city captivates everyone who wanders its streets. To feel its eclectic beauty in spring, you only need to look around from the Eiffel Tower. You have a chance to travel from Tashkent to Paris with Uzbekistan Airways every Tuesday and Friday.

New-York. Concrete jungle does not need any further explanation. With the arrival of spring, concrete buildings are surrounded by flowers of various colors. And the plants in the Central Park fascinate every passenger with their fragrance. Fly on Tashkent – New-York route with Uzbekistan Airways on Tuesdays, Thursdays and Sundays.

Purchase airline tickets with a 3% discount through the airline’s official website www.uzairways.com, as well as through the UzAirways mobile application, Uzbekistan Airways Sales, or from the airline’s agents.
