

# **Uzbekistan Airways: travelling during pregnancy**

**2023 6 April**

Uzbekistan Airways always takes care of its passengers, first of all, of course, ensuring their safe transportation from one point to another. For the flight of pregnant women, there are a number of rules that must be strictly observed.

Pregnant women are accepted for transportation in the following cases:

- In case the pregnancy is not beyond the 35th week, in the presence of the medical certificate signed by gynecologist and issued not earlier than seven days before the flight.
- In the case of pregnancy with twins or a multiple pregnancy, it is possible to fly until 32nd week of pregnancy on the flight day.
- In case of the pregnancy is beyond 35 weeks, the pregnant passenger is required to be accompanied by a medical escort. This travel is subject to the approval of the Airline Medical Service.

Uzbekistan Airways kindly asks pregnant women to consult a doctor before planning an air transport flight and get recommendations and permission to fly.

Take care of yourself and your future children.
