Uzbekistan Airways official partner of Uzbekistan’s club project

2023 1 May

Uzbekistan Airways and Uzbekistan's club do not just realise a social project, but present the image of our country far beyond Uzbekistan, talk about our compatriots around the world: their achievements, their victories and the path they have taken on their way to them.

Uzbekistan Airways took the initiative to support the Uzbekistan's club team and implement several powerful projects: Opening of the national pavilion of Uzbekistan in Cannes, "O'zbekistonlik" forums in Berlin, O'zbekistonlik. Generating Ideas in Paris, as well as the three episodes of "Uzbekistan" film which caused discussions.

The national air carrier contributed to the unhindered and comfortable movement of the team, media residents of Uzbekistan's club, and also "added" each event abroad a national atmosphere, delivering a piece of Uzbekistan to Germany and France.
