We remember and honor

2023 5 May

Eternal memory and honor are one of the main parts of our values. The feat of those who fought for peace, tranquility and freedom of the Motherland will never be forgotten.

To honor and remember of those who accomplished a feat and stood up for the Motherland is the brightest traditions of the airline. On the eve of the Day of Remembrance and Honor, the young crew and employees of Uzbekistan Airways, together with veterans of World War II, paid tribute to passed away military pilots and participants in the war.

Uzbekistan Airways will continue to be faithful to traditions, remember and honor the heroes.
