Uzbekistan Airways at World of Travel, Trade & Taste 2023 in Miami

2023 5 June

Uzbekistan Airways took part in the international tourism exhibition "World of Travel, Trade & Taste Exhibition -2023", which was held from May 31 to June 2 in Miami, USA. The exhibition is a professional platform for promoting the services of the airline and the tourism potential of Uzbekistan in the North American market. It is worth noting that Uzbekistan Airways became the first airline from the Central Asian region and the CIS countries to take part in this event.

During the exhibition, employees of Uzbekistan Airways held a series of negotiations and meetings with representatives of local companies on the issues of convenient connections and regular flights both from Central Asia to the United States and around the world. As part of the event, the distribution of Uzbek pilaf was organized for guests and visitors, which will undoubtedly emphasize the flavor and draw attention to the Uzbek gastronomic culture as a whole.

We recall that Uzbekistan Airways operates regular flights on the route Tashkent - New York - Tashkent four times a week: on Tuesdays, Thursdays, Fridays and Sundays.
