Official Information About Helicopter Landing On A Football Field

2023 15 August

There was spread information on social networks about the landing helicopter on a football field in Navoi region during the match between Kyzylkum – Metallurg teams.

Uzbekistan Airways reports:

On August 14, 2023 year, Uzbekistan Helicopters airline’s helicopter provided special aviation work in Navoi region.

As part of the flight mission, the crew landed on a mini-football field of the Yoshlik sports complex in Karmana district. This landing was previously agreed with the mayor’s office of Navoi region.

At the same time, helicopter’s alighting did not interfere with the event held at the stadium. Security was provided by law enforcement officers.

Then the helicopter continued to fly along the route.
