Happy National Flag Day of the Republic of Uzbekistan

2023 18 November

The state flag is a symbol of national dignity, historical heritage and cultural wealth of Uzbekistan. It embodies the deep values of the Uzbek people, is an important part of the national identity and towers over government buildings, public events, and sporting competitions, uniting the country's citizens around common ideals.

This state symbol symbolizes the independence of the country and the desire of the Uzbek people for development and prosperity. The flag serves as a reminder of the spiritual and cultural traditions of the people of Uzbekistan, its centuries-old history and deep roots.

We congratulate you on the State Flag Day of the Republic of Uzbekistan! In honor of this significant holiday, Uzbekistan Airways' pilots and flight attendants took a photo with the flag in different parts of the world.

Feel proud of the state symbol of our country as well!
