Mumbai is a new point on the Uzbekistan Airways flight map

2024 1 February

Uzbekistan Airways continues to delight passengers with new destinations. Starting April 1st, you will be able to travel to the birthplace of Bollywood films - Mumbai!

India is one of the first countries where Uzbekistan Airways began operating international flights. In 1992, Uzbeks and guests of the country were given the opportunity to travel to Delhi, where the airline now operates flights daily, except Fridays.
