Uzbekistan Airways participated in the International Travel Exhibition MITT-2024 in Moscow

2024 25 March

From March 19 to 21, Uzbekistan Airways, as part of the national pavilion of the Republic of Uzbekistan, took part in the 30th International Tourism and Hospitality Industry Exhibition in Moscow.

The airline’s staff held a series of meetings with representatives of the local business and tourism industry, provided information on the features of cultural and historical tourism in Uzbekistan, and worked on attracting potential tourists to the Republic.
