20 flights per week to Kazakhstan cities – it's real with Uzbekistan Airways

2024 3 April

We have switched to spring-summer flight schedule and increased the number of flights from Tashkent to Almaty to 14 times a week: new flights are operated on Mondays, Tuesdays, Wednesdays and Fridays. Now you can also travel from Tashkent to Astana 6 times a week: flights on Saturdays have been added.

You can find the flight schedule and purchase air tickets on the website www.uzairways.com with a 3% discount or in the app, which is available for download on Google Play and App Store.
