Uzbekistan Airways at the international exhibition KITF-2024 in Kazakhstan

2024 25 April

Uzbekistan Airways is taking part in the 22nd International Exhibition “Tourism and Travel” – KITF-2024 in Kazakhstan from April 24 to 26 as part of the Uzbekistan stand.

The national air carrier of the Republic is working to stimulate the flow of foreign tourists, the airline's employees provide information on the air carrier's activities, tariffs and route network, as well as hold meetings and negotiations with tour operators and representatives of the business industry, increasing business interest in Uzbekistan.

We remind that the airline performs regular flights from Tashkent to Almaty and back twice a day, flights on the route Tashkent – Astana – Tashkent are performed on Mondays, Tuesdays, Thursdays, Fridays, Saturdays and Sundays.

In the near future it is planned to expand the route network from Uzbek cities to Kazakhstan.
