Uzbekistan Airways Took Part in the I International Labor Fair in the Field of Transport and Logistics

2024 30 April

Representatives of the airline shared information about improving the quality of services provided to passengers. Benefits and incentives for employees became the main questions of visitors to the labor fair. It was noted how important, both in aviation and in other fields, vigilance and intelligence in the daily work of each employee to perform safe flights. There was also held a “Career Day” as part of the labor fair.

About 90 reputable foreign and domestic organizations took part in the exhibition.

For reference: companies from countries such as Korea, Japan, Turkey, Singapore, China, Russian Federation, Belarus, Kazakhstan and Uzbekistan presented vacancies in their organizations.
