As part of the Third Tashkent International Investment Forum, Uzbekistan Airways JSC held meeting with representatives of Airbus

2024 1 May

Today, on the 1 of May, the management of Uzbekistan Airways held a working meeting with the President of Airbus in the European region, Johan Pelissier and Vice-President of Airbus International in Eastern Europe and Central Asia Jacques Garrigue.

During the meeting was discussed prospects of fruitful relations, opportunities to expand the aircraft fleet of the national airline of Uzbekistan, as well as issues of personnel training and expanding co-operation in terms of technical support of Uzbekistan Airways aircrafts. The parties noted the need to continue to follow the goal of creating safe air travel and the high level of co-operation between the two companies. As part of the event, the guests visited Uzbekistan Airways Flight Control Centre.
