Passport Validity Requirements While Entering Turkey

2024 14 June

As of 1 January 2015, in accordance with the article 7.1b of “the Law on Foreigners and International Protection” no. 6458, foreigners wishing to enter Turkey should carry a travel document (passport) with an expiration date at least 60 days beyond the “duration of stay” of their visa, e-Visa, visa exemption, or residence permit.

In order to enter Turkey having a visa with 90 days “duration of stay”, foreigners should hold a passport/travel document valid at least for an additional 60 days which totals to 150 days (90 days + 60 days/5 months) of validity at the time of entrance.

Given the above, we remind you that for visa-free entry to the Republic of Turkey, citizens of the Republic of Uzbekistan must have a passport, the validity of which is not less than 150 days from the date of entry into the Republic of Turkey.
