Congratulations to Silk Avia on its birthday!

2024 7 July

Exactly three years ago, the first regional airline appeared on the domestic air transportation market. During this time Silk Avia has purchased five ATR-72, two LET L-410 aircraft and launched flights to 13 cities: Tashkent, Bukhara, Fergana, Karshi, Namangan, Navoi, Samarkand, Termez, Urgench, Kokand, Muynak, Zaamin and Issyk-Kul.

Sincere congratulations to the Silk Avia team! The third anniversary is only the beginning of a great journey. We wish you a happy flight and conquest of new heights.
