UzAirPlus points can not only be saved up, but also purchased

2024 8 July

To do this, go to www.uzairways.com website and select the "My bookings" function. Register in the system by email, which is linked to your UzAirPlus account, and fill in the required fields in a new window. After registration, select the "Loyalty Program" function, link your UzAirPlus card number and click on "Buy points".

You can purchase packages of 1000 points with a condition of charging 30 EUR for each package. During the year, you can buy no more than 50,000 (50 packages of 1000 points each) premium points.

If you do not have an UzAirPlus card, register on www.uzairways.com website right now and get 1000 welcome points to your account.
