Uzbekistan Airways representatives took part in the annual “Alma Fest” held in honor of Almaty City Day. About 30,000 people attended the festive event. Many of them visited the Uzbekistan tent, where an exposition of the Republic's arts and crafts was exhibited and the country's tourism potential and the airline's products were presented.

In addition to informational familiarization with the country, the guests had the opportunity to taste dishes of the famous Uzbek cuisine – starting from traditional pilaf and ending at oriental sweets brought from Uzbekistan.
