Discount on air tickets to Kuala Lumpur: promotion continues

2024 22 October

Right now you can purchase air tickets on the route Tashkent – Kuala Lumpur – Tashkent with a discount of up to 20% off the fares. The promotion applies to flights that will be operated until 30 November 2024.

In addition to the passenger and cargo fare, there are various taxes, fees and surcharges, which are not subject to a discount of up to 20%.

Discounted tickets are available for purchase at booking.uzairways.com, in the app, Uzbekistan Airways Sales or at the airline's agents.
