TransLogistica Uzbekistan Exhibition

2024 5 November

Today, November 5, the 20th Anniversary International Exhibition “Transport and Logistics – TransLogistica Uzbekistan 2024” kicked off at the national exhibition complex “Uzexpocentre”. Within the framework of the event, Uzbekistan Airways representatives demonstrated the airline's capabilities in the field of cargo transportation and held a number of negotiations with logistics companies and individual entrepreneurs.

The exhibition is held from November 5 to 7, 2024 with the support of the Ministry of Transport of the Republic of Uzbekistan, the Ministry of Investment and Foreign Trade and the Chamber of Commerce and Industry of the Republic of Uzbekistan.

The main objective of TransLogistica Uzbekistan 2024 is to promote the development of transport and logistics infrastructure, strengthen international cooperation and attract investment in the transport sector of Uzbekistan.
