Uzbekistan Airways participates in the Central Asia Air Cargo Summit

2024 27 November

On November 27, 2024, Uzbekistan Airways took part in the Central Asia Air Cargo Summit held in Tashkent. The national airline of Uzbekistan served as the general partner and official carrier of the event.

As part of the summit, Uzbekistan Airways representatives held a series of meetings and negotiations with existing and potential partners to strengthen cooperation and develop the air cargo market in the region.

The Central Asia Air Cargo Summit provides a platform for fostering connections among stakeholders in the air cargo industry. The shift of major cargo flows toward more efficient routes between Southeast China and Europe, Europe and Asia, as well as the United States and the rest of the world, presents new opportunities for Uzbekistan Airways to expand its operations and strengthen its position in the global market.
