Presentation of Uzbekistan Airways' aviation capabilities in Malaysia

2025 10 February

The Malaysian city of Putrajaya hosted a presentation of Uzbekistan Airways' aviation capabilities and Uzbekistan's tourism potential. The event was organized by the airline's representative office with the support of ATN Tourism & Travel Corporation SDN BHD, an agent for the sale of passenger transportation in Malaysia.

Representatives of tourist companies in Malaysia received information about the geography of flights, fares and flights to CIS and European cities via Tashkent with Uzbekistan Airways flights.
