Team building in Baku together with PUSH30

2025 26 March

On the eve of Nowruz holiday and in honor of the 120th anniversary of trade union movement of Uzbekistan, from March 20 to 23, corporate fitness platform PUSH30 with the support of Uzbekistan Airways trade union organized a team building event in Baku for the airline's employees.

The event program included both recreational and cultural activities. Participants enjoyed Pilates and stretching classes, as well as walks around Baku's iconic landmarks.
