

# Uzbekistan Airways participates in international tourism exhibition in Japan

2019 25 October

The national air carrier of Uzbekistan presents its services at the international tourism exhibition JATA Tourism EXPO Japan 2019, which runs from October 24 to 27 in Osaka, the third largest city in Japan.

This is the world's largest promotional field, being one of the largest and most significant events in the world in the field of travel and tourism. It demonstrates all the modern areas of the tourism industry - business, exotic, ecology, cruises, hotel, restaurant service and much more.

This year, along with Uzbekistan Airways airlines, 1,440 companies from 136 countries and regions of the world will exhibit their services. For travel enthusiasts, information is offered on the rich tourism potential of our country, tourist routes, the

national air carrier, which offers regular flights from Japan to Uzbekistan and an extensive transit transportation network.

Representatives of the tourism sector of Japan note the high level of development of the tourism sector in Uzbekistan, including the aviation sector, and visitors and guests of the exhibition call it one of those countries that must be visited at least once in a lifetime, especially if there is direct air flight operated on modern airliners "Uzbekistan Airways" Boeing 767, and with summer navigation in 2020 - on a comfortable Boeing-787 Dreamliner.
