Information Notice

2025 22 April

Flight HY9628, operating on the Moscow (Vnukovo Airport) – Fergana route aboard an A320 aircraft (A-32A/32015), made an emergency landing at the alternate airport in Samara at 13:00 (Tashkent time) due to the deterioration of a passenger’s health.

The passenger and their baggage were offloaded from the flight, and the passenger was transported to a hospital by ambulance.

The aircraft subsequently continued its journey to the destination airport.
