

Next presentation for representatives of the tourism business

2019 30 October

The Consulate General of the Republic of Uzbekistan in Saint-Petersburg hosted a regular presentation of the tourist potential of our country and Uzbekistan Airways' services for representatives of the tourist business of Saint-Petersburg and the North-Western Federal District.

Deputy Chairman of the Committee on Entrepreneurship in Tourism of the St. Petersburg Chamber of Commerce and Industry Natalia Ivanova took part in the event.

The presentation allowed to acquaint the audience with the rich historical heritage of Uzbekistan, attractive tourist routes, peculiarities of national customs and traditions, as well as to announce the opening of a new one, created in accordance with all international standards of ski resort "Amirsoy".

During the meeting, it was noted that close cooperation between Uzbekistan Airways and the Consulate General of the Republic of Uzbekistan in St. Petersburg with the participation of AeroTour, the general agent of the airline, has yielded positive results. Effective promotion of national tourism potential in foreign markets is impossible without the participation of Uzbekistan Airways, which is actively working on the implementation of projects aimed at promoting the Uzbek tourism destination abroad and attracting a large number of foreign tourists to our country.
