Uzbekistan Airways participates in events organized by Tourism Malaysia

2025 11 June

Uzbekistan Airways is participating in a series of events organised by Tourism Malaysia to promote Malaysia's tourism potential in Central Asia. The seminar and B2B meetings with representatives of the tourism industry began on 11 June in Tashkent and will continue on Friday, 13 June, in Samarkand.

In 2024, almost 20,000 tourists from Uzbekistan visited Malaysia, which shows the growing interest in this destination. Uzbekistan Airways supports the development of tourism between the countries by operating flights from Tashkent to Kuala Lumpur twice a week: on Wednesdays and Sundays with return flights the next day.

Uzbekistan Airways is the official airline partner of this event.
