

Meeting with representatives of the Airbus consortium

2025 13 June

Yesterday, within the framework of the Tashkent International Investment Forum, a meeting was held at the headquarters of Uzbekistan Airways with representatives of the Airbus consortium.

The two sides discussed ongoing cooperation and prospects for further collaboration in fleet expansion, technical maintenance, and the implementation of advanced aviation solutions.

Uzbekistan Airways continues to engage in active dialogue with the world's leading aircraft manufacturers, aiming to deliver an even higher level of comfort, safety, and innovation to its passengers.
