Uzbekistan Airways at the MATTA Fair exhibition

2025 9 September

Uzbekistan Airways presented its services and held a presentation at one of Southeast Asia's largest tourism exhibitions, the MATTA Fair in Kuala Lumpur.

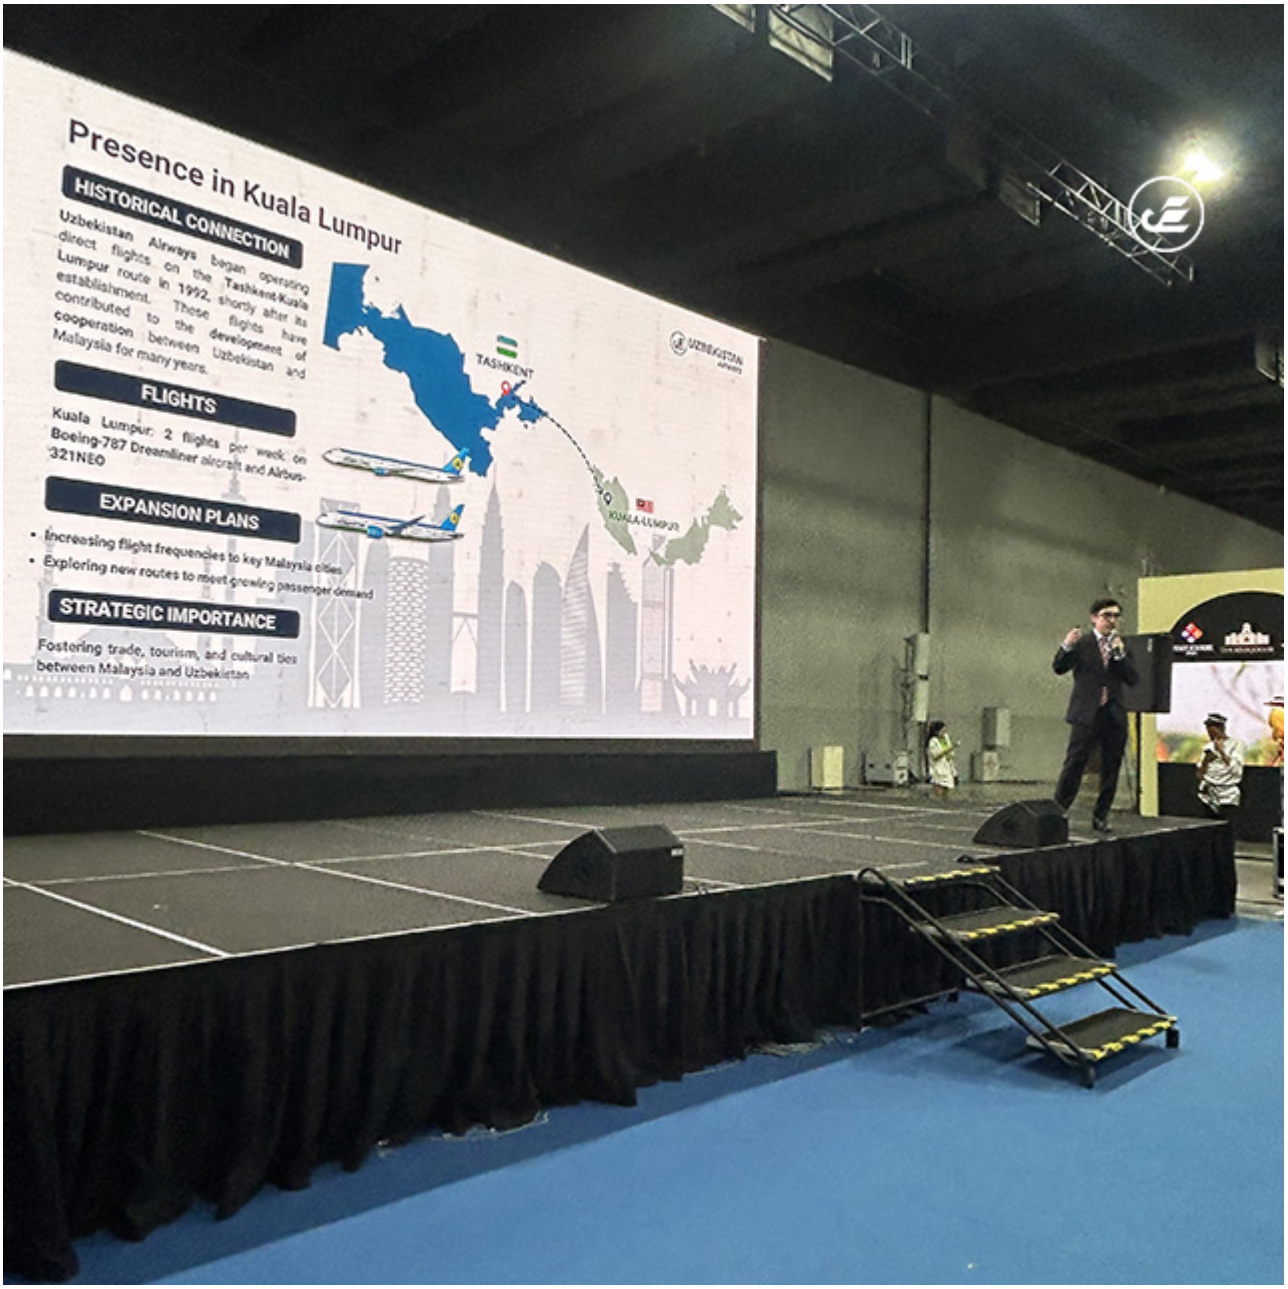

Participation in the exhibition was an excellent opportunity to present new routes, talk about the comfort of flying with Uzbekistan Airways, and establish partnerships with representatives of the tourism industry in Malaysia and other countries.

In addition, the airline organized a colorful dance flash mob at Kuala Lumpur International Airport, which gave travelers a taste of Uzbek hospitality.

Presence in Kuala Lumpur
HISTORICAL CONNECTION
Uzbekistan Airways began operating direct flights on the Tashkent-Kuala Lumpur route in 1992, shortly after its establishment. Those flights have contributed to the development of cooperation between Uzbekistan and Malaysia for many years.
FLIGHTS
Kuala Lumpur: 2 flights per week on Boeing-787 Dreamliner aircraft and Airbus-321NEO
EXPANSION PLANS
• Increasing flight frequencies to key Malaysia cities
• Exploring new routes to meet growing passenger demand
STRATEGIC IMPORTANCE
Fostering trade, tourism, and cultural ties between Malaysia and Uzbekistan
