Uzbekistan Airways supported the Car-Free Day initiative

2025 22 September

On September 22, the Republic of Uzbekistan is holding an environmental campaign called Car-Free Day.

Uzbekistan Airways JSC actively joined this initiative. The airline's executives supported the campaign by setting an example: First Deputy Chairman of the Board Umid Khusanov, Head of the Unified Information Service Muzaffar Suyarov, Director of the Marketing and Sales Department Zafar Salimov, and Head of the Marketing and Commercial Development Section Shukhrat Mirsaidov.

In this way, the airline has demonstrated its willingness to contribute to the formation of an ecological culture, the reduction of air pollution, and the creation of a healthier urban environment.
