

Uzbekistan Airways “Joint Silk Road Highlights Tour”da

2025 15 October

In Frankfurt am Main, representatives of the airline in Germany took part in a road show held as part of the international “Joint Silk Road Highlights Tour” project.

Thanks to its participation in the project, Uzbekistan Airways presented its new opportunities, discussed prospects for cooperation with European tour operators, and strengthened its position as a reliable and open-to-partnership participant in the international tourism market.
