2025 19 November

Uzbekistan Airways informs about the promotion on flights with initial departure from Tashkent to Saint Petersburg, Moscow, Mineralnye Vody, Grozny, Bishkek, according to which a discount is provided only for R and P economy class fares:

1. Promotion period (sale date): November 19-26, 2025 (inclusive);

2. The transportation period is not limited (the validity period of the transportation is determined by the rules of the applicable tariff, the issuance of air tickets is allowed for the depth of the published schedule);

3. Directions – regular flights of the airline with an initial departure from Tashkent to Saint Petersburg, Moscow, Mineralnye Vody, Grozny, Bishkek, where HY is the flight operator (for example, OW Tashkent-Moscow or RT Tashkent-Moscow-Tashkent);

4. The discount amount provided only for R and P economic class tariffs:

- for adults:

- with an initial departure from Tashkent to St. Petersburg – up to 70% of R and P economy class fares;

- with the initial departure from Tashkent to Moscow – up to 70% of R and P economy class fares;

- with the initial departure from Tashkent to Mineralnye Vody – up to 40% of the R and P economic class tariffs;

- with an initial departure from Tashkent to Grozny – up to 50% of the R and P economy class fares;

- with the initial departure from Tashkent to Bishkek – up to 50% of the R and P economy class tariffs;

- for children from 2 to 12 years old and children from 2 years old occupying a seat in the salon,- the above-mentioned percentage of the published P-/R- tariff in the corresponding direction with the application of a children's discount;

- for children under 2 years old and not occupying a seat in the salon, this discount does not apply;

5. In case of return/rebooking/reissuance, the discount provided to the tariff does not apply to the fees charged for return/reissuance/NO-SHOW, for children - is charged in the prescribed manner (with the application of a 25% discount). To calculate the refund amount for partially used air tickets, the fare on the used section is deducted without applying a discount;

6. In case of reissuance/rebooking of fully unused tickets issued using discounts for this promotion, it is permitted to apply a discount if the reissuance procedure falls within the period of validity of the promotion from November 19 to 26, 2025.

7. In case of reissuance/rebooking outside the promotion period of fully unused airline tickets issued using these discounts, it is necessary to add to the full level of the fare without applying discounts. An exception is the increase in the service class for accumulated points up to Z, as well as during the reissuance of air tickets within the framework of the Technology for making changes to the passenger's name, surname and passport data Change Name Policy;

8. In case of reissuance/rebooking of airline tickets issued earlier without applying a discount during the discount period, the discount is not applied to the fare;

9. In case of re-registration/rebooking of partially used airline tickets issued with a discount, the re-calculation is made on the date of issuance of the airline ticket (i.e., with a discount);

10. In case of reissuance on November 19-26, 2025, of air tickets issued on October 1, 2025, or under previously provided promo codes and discounts, the discount is not applied during the period of this promotion, it is necessary to add to the full fare;

11. Sale with a discount is allowed on the airline's website (for UZS/USD/RUB), in the territory of the Republic of Uzbekistan ("Uzbekistan airways sales" branch and its agents), as well as abroad only for its own sales network (agents working with HY only under direct agency agreements, 25021...) regardless of the passengers'

citizenship. Does not apply to BSP agents;

12. Combining discounts is prohibited, except for children's discounts;

13. The discount is allowed for published individual fares of the economic class of services P and R with an initial departure from Tashkent, including low-budget flights, on own HY flows (25021...). Not applicable to CodeShare flights and for tariffs published under commercial agreements (SPA);

14. The discount does not apply to air tickets issued within the framework of contracts for the provision of a block of seats, as well as for group bookings.

15. In the case of a combination of the above-mentioned routes with the application of a discount with routes to which the discount does not apply, it is necessary to carry out transportation with different air tickets.

16. To apply the discount in graphical mode, in the ADVANCED PRICING section, it is necessary to indicate Global Discount - % discount depending on the route, mark the field with a checkmark, and also, it is mandatory to fill in the Ticket Designator field to display the discount on the airline ticket:

Note: *Taxes, fees, and surcharges are added to the passenger fare and are not subject to the discount.*

% off for adult passengers
