

Discounts on the Tashkent-Mumbai-Tashkent route

2025 21 November

Uzbekistan Airways informs you that on the route from Tashkent to Mumbai and back, from Mumbai to Tashkent and back, discounts of up to 50% of the P-/R-class tariffs are provided.

Taxes, fees, and surcharges are added to the passenger fare and are not subject to the discount.

1. Sales date: 21NOV25-05DEC25;
2. Travel date: 22NOV25 – 28MAR26;
3. The discount amount is applied as below:
 - for adults – up to 50% of economy fare (discount code ZPR);
 - for children from 2 to 12 years old and children under 2 years old, occupying a seat in the cabin total discount including child equal 63% of the adult fare (discount code PTT);
 - for children under 2 years old and not occupying a seat in the cabin (Infant), this discount does not apply;
4. In case of refund/rebooking/reissuance, the discount does not apply to penalty fees for refund/reissuance/NO-SHOW. For children, applicable penalties are charged according to standard procedure (with 25% discount applied). When calculating the refund for a partially used ticket, the fare for the used segment is deducted without applying the discount.
5. In case of reissuance/rebooking of fully unused tickets originally issued with the discount, for travel dates outside the discount period, the fare difference must be

collected up to the full fare level without discounts.

6. If tickets not originally issued with the discount are rebooked/reissued for flights within the promotional period (November 22, 2025 – March 28, 2026), the discount does not apply.

7. If partially used tickets originally issued with the discount are reissued/rebooked for flights after March 29, 2026, the discount does not apply to the second segment (including OPEN DATE return segments) outside the promotion period. If the new departure date of an OPEN segment falls outside the promo period, the discount is not applied to that portion, and the ticket must be reissued.

8. If fully unused tickets issued during previous promotions are reissued for flights during this promotion period, a up to 50% discount does not apply.

9. Rebooking, reissuance, and refund for tickets issued with this discount must be processed manually.

10. The discount applies only to the flight segments falling within the promotional period.

11. Tickets with the discount may be sold via the airline's official website (in UZS/USD/RUB), within Uzbekistan (through the "Uzbekistan Airways Sales" branch and its agents), and abroad for all HY agents, including BSP, TKP, ARC agents.

12. Combining discounts is not allowed.

13. The discount applies to individual P- / R- class fares only for travel from Tashkent to Mumbai and vv., from BOM to TAS and v.v If this route is combined with other directions, the discount applies only to the TAS-BOM-TAS/ BOM-TAS-BOM segment. The discount does not apply to SPA fares or group bookings.

14. For children aged 2 to 12, to ensure correct application of the discount for each segment, separate tickets must be issued for each sector of the journey.
