Uzbekistan Airways held a New Year's party for children

2025 26 December

The Uzbekistan Airways headquarters welcomed some very special guests – the children of airline employees who took part in the New Year's competition “Letter to Santa Claus.”

The festive event, organized by the Trade Union Committee of Uzbekistan Airways JSC, took place in a fairy-tale atmosphere with the participation of Santa Claus. The young participants not only shared their cherished wishes, but also received gifts – both the winners of the contest and all the other children.

The sincere smiles and genuine happiness in the children's eyes were the main decoration of the holiday and reminded us that New Year is a time of miracles, warmth, and caring for the most important people.
