A double celebration of spring and warmth: fly to your loved ones with Uzbekistan Airways!

2026 19 March

The brightest and most anticipated days are here — the holiday of spring renewal, Navruz, and the sacred Ramazan Hayit. This is a time when it is especially important to be close to family, visit elders, bring joy to loved ones, and share warmth with one another.

To ensure you can easily and comfortably travel to your family and friends, Uzbekistan Airways is introducing additional domestic flights from March 19 to 23. Tickets for the new flights are already on sale!

Furthermore, we would like to remind you of our festive promotion: until March 23, a discount of up to 15% off fares applies to all domestic flights.

You can purchase tickets on the booking.uzairways.com website, at the Uzbekistan Airways Sales branch, and from the airline's official agents.

Comfortable journeys begin with Uzbekistan Airways!
