Dear passengers traveling to the People’s Republic of China

2026 30 March

Please be reminded that prior to your flight you are required to complete the China Electronic Arrival Card – a mandatory requirement for all foreign nationals.

You can fill it out in advance 24-72 hours before departure via the following link: https://s.nia.gov.cn/ArrivalCardFillingPhone/. After submission, you will receive a QR code. Please save it and present it upon arrival at the airport in China.

If you are planning to travel to Beijing, Sanya, Urumqi, Hangzhou, or Shenzhen on Uzbekistan Airways flights, we strongly recommend taking this requirement into account.
