Khan-Atlas in the Rhythm of Business Life

2026 10 April

Employees of the head office of Uzbekistan Airways and the Uzbekistan Airways Sales branch seamlessly combine business style with elements of national culture, highlighting respect for traditions and national identity.

Khan-atlas holds a special place in their attire – a vibrant and distinctive fabric that adds a striking national accent to classic office wear. Such details not only enhance appearance but also reflect the rich cultural heritage of Uzbekistan, making the corporate style truly unique.
