Uzbekistan Airways at a Chess Tournament

2026 26 August

A chess tournament was held at the Palace of Youth Creativity, bringing together enthusiasts of this intellectual sport.

Jasur Jurabaev represented Uzbekistan Airways JSC at the competition.

During the tournament, he played six challenging and intense games, demonstrating composure, concentration, and a desire to improve his skills. The competition provided him with valuable athletic and competitive experience.

Following the tournament, Jasur intends to continue honing his skills and is already preparing for new chess competitions.

We wish Jasur confident games, new achievements, and spectacular victories!
