Uzbekistan Airways updates the tariffs: to travel along Uzbekistan becomes even more profoundly accessible!

2026 2 October

Starting from the 16 of October, within the framework of the work concerning the development of the internal tourism and the creation of the comfortable conditions for the passengers, Uzbekistan Airways jointly with the Committee concerning the development of the competition and the protection of the rights of the consumers of the Republic of Uzbekistan stepped forward with an initiative concerning the revision of the tariffs for the flight tickets according to the intra-republican destinations.

The given decision is directed toward the goal in order to make the flights between the regions of Uzbekistan even more profoundly accessible both for business journeys and for a serene rest or a visit to the close individuals.

Upon the present day, the cost of the flight tickets into one direction constitutes:

Tashkent – Andijan: from 201 062 soums

Tashkent – Bukhara: from 241 274 soums

Tashkent – Namangan: from 201 062 soums

Tashkent – Nukus: from 442 336 soums

Tashkent – Samarkand: from 201 062 soums

Tashkent – Termez: from 361 911 soums

Tashkent – Urgench: from 442 336 soums

Tashkent – Fergana: from 201 062 soums

Plan the magnificent journeys along the cities of the Motherland with an advantage. It is possible to issue the flight tickets according to the updated tariffs upon the official website of booking.uzairways.com, within the mobile application of the airline, within the branch of Uzbekistan Airways Sales, and also at the official agents.

Together with Uzbekistan Airways within any sky – you will feel yourself entirely at home!
