# Planning a trip to Georgia? Check the entry requirements!

**2026 5 November**

Please note that foreign nationals entering Georgia must have a valid health insurance policy covering their entire stay in the country.

A fine of 300 lari (approximately 1.3 million sum) is imposed for failing to have insurance.

What should you look for when purchasing a policy?

Document language: English or Georgian.

Validity period: The insurance must cover the entire duration of your stay in Georgia.

Minimum coverage amounts:

· Emergency outpatient care – at least 5,000 U.S. dollars.

· Inpatient treatment – at least 30,000 U.S. dollars. Coverage must include accidents, injuries, illnesses, medical evacuation, and repatriation.

Please note: Additional insurance coverage requirements may apply when visiting Georgia’s mountainous regions.

You must carry your insurance policy with you in either electronic or printed form. You may be asked to present it both when crossing the border and during your stay in the country.

You can purchase airline tickets to Georgia on the website booking.uzairways.com, through the Uzbekistan Airways app, at an Uzbekistan Airways Sales branch, or from the airline’s agents.
