Strengthening the international partnership at TransLogistica Uzbekistan 2026!

2026 10 November

Uzbekistan Airways participates actively within the leading international exhibition TransLogistica 2026. This is the key platform of Central Asia for the exchange of the experience, the implementation of modern information technology solutions, and the expansion of the logistical capabilities of the industry.

The First Deputy of the Minister of Transport of the Republic of Uzbekistan Mamanbiy Omarov, the Ambassador Extraordinary and Plenipotentiary of the Republic of Kazakhstan within Uzbekistan Yeraly Tugzhanov, and also the representatives of the foreign diplomatic missions already visited our stand. Our common and most important goal is the strengthening of the friendly and the economic ties among the countries by means of a reliable and stable air connection.
