The magic of the numbers 11.11 works for the journeys — catch the discounts!

2026 10 November

We hereby inform that exclusively on the 11 of November of the year 2026, a discount of up to 11 percent from the published individual tariffs of the economic and the business class of service is provided upon all regular flights of the airline, where Uzbekistan Airways is the operator of the flight (including the domestic flights);

The detailed information concerning the promotion:

1. The period of the execution of the promotion — the 11 of November of the year 2026;
2. The period of the transportation — is not limited (the period of the validity of the transportation is determined by the rules of the applied tariff, the issuance of the air tickets is permitted to the depth of the published schedule);
3. The discount is permitted for all published individual tariffs of the economic and the business class of service, and also for the tariffs of the economic and the business class for the through transportation exclusively upon the own regular flights of the airline, including the low-budget flights, where Uzbekistan Airways is the operator of the flight.
4. The provided size of the discount:
    a. for the adults — up to 11 percent from the tariffs of the economic and the business classes;
    b. for the children from two to 12 years of age and the children up to two years of age, who occupy a seat within the cabin, — 11 percent from the published tariff of the corresponding class of service with the application of the discount for the children;
    c. for the children up to two years of age and who do not occupy a seat within the cabin, the given discount does not apply;
5. Within the case of a refund, a rebooking, or a reissuance, the provided discount toward the tariff does not apply to the collected fees for the refund, the

reissuance, or the absence for the flight, for the children — it is collected within the established procedure (with the application of a discount of 25 percent). For the calculation of the amount of the refund of a partially utilized air ticket, the tariff upon the utilized segment is deducted without the application of the provided discount;

6. Within the case of the reissuance or the rebooking of the completely unutilized air tickets, which are issued with the application of the discount, a collection up to the full level of the tariff without the application of the discounts is necessary. The exception comprises the upgrade of the class of service for the accumulated points up to the class Z, and also during the reissuance of the air tickets within the framework of the Technology of the Introduction of the Changes into the Name, the Surname, and the Passport Data of the Passenger;
7. Within the case of the reissuance or the rebooking on the 11 of November of the year 2026 of the air tickets, which are issued earlier (including according to the previously conducted promotions), the discount toward the tariff does not apply;
8. Within the case of the reissuance or the rebooking of the partially utilized air tickets, which are issued with the application of the discount, the recalculation is executed upon the date of the issuance of the air ticket (that is to say, with the application of the discount);
9. The sale with the application of the discount is permitted upon the website of the airline, upon the territory of the Republic of Uzbekistan (within the branch of Uzbekistan Airways Sales and among the agents of the branch), and also abroad exclusively for the own network of the sales independently from the citizenship of the passengers. It does not apply to the agents of the Billing and Settlement Plan, the Airlines Reporting Corporation, and the Transport Clearing House.
10. The combination of the discounts is prohibited, except the discount for the children;
11. The discount does not apply upon the code share flights, where Uzbekistan Airways is the marketing carrier, for the tariffs, which are published within the framework of the Special Prorate Agreements, upon the flights of the Limited Liability Company Uzbekistan Helicopters (HY1001-1100) and Silk Avia, within the framework of the contracts for the provision of a block of seats, and also for the group reservations;
